A Week Was a Week
Remember when a week was a week with no special significance attached? Today, quite the reverse is true. What with Be Kind to Dumb Animals Week, Write a Letter Week, Prune Week, Cotton Week, Don't Blow Your Top Week and others, a plain ordinary week is now as rare as a special week was years ago. Remember.

4 MERCURY EXCLUSIVES FOR FINER V-8 PERFORMANCE

DUAL EXHAUST makes more of Mercury's power available to you for everyday driving. You have two separate exhaust systems for lower engine temperatures—resulting in greater efficiency and economy. Only Mercury Monterey and Montclair in their price class offer dual exhaust as standard equipment at no extra cost.

HIGH-COMPRESSION SPARK PLUGS—revolutionary new anti-fouling spark plugs designed for super high-compression engines—give peak performance at all speeds. No other spark plugs available as standard equipment can match this performance, and no other car in Mercury's field has them.

4-BARREL CARBURETOR gives you two-barrel economy for normal driving. But when an extra spurt of speed or hill-climbing power is needed, the extra 2 barrels cut in instantly, vacuumatically. Only Mercury in its field offers a 4-barrel carburetor as standard equipment on every model.

LONGER EXPERIENCE. Only Mercury among all cars has an exclusively V-8 history. New 188- and 198-hp SUPER-TORQUE V-8 engines are the latest and greatest Mercury developments. And Mercury has put over 2,000,000 proven V-8 engines on the road—more V-8's than any other car in its price class.

NEW 1955 MERCURYS offer high horsepower (188 and 198)—new SUPER-TORQUE V-8 design—for super-pickup in every speed range.
