LYNN HOLLOW—Mrs. Ellen Pruett, mother of Mrs. John Macaulley, passed away at a Eugene hospital January 18. Mrs. Pruett was 82 years of age.

Mrs. Anna Macaulley, mother of John Macaulley, passed away January 21 at a Eugene hospital. Mrs. Macaulley was 85 years of age. The entire community extends sincere sympathy.

Edna Wagoner received a telephone call from her son, Leonard Guyer, Army Air Force, Lowery Field, Colo., that he had injured his right hand badly and was to have surgery in an attempt to save the forefinger. He is the grandson of Mr. and Mrs. Henry Wilson.

The new plastic floor on the skating rink did not prove a success so Gerold Coyner is installing a new masonite floor and will be ready to open Monday night.

Mrs. Orville Lamb and Alice attended the annual conference of the Church of the Latter Day Saints in Springfield Saturday.

Bill Stevens, brother of Mrs. Victor Korpela, passed away at his home in Redfield. The community extends sympathy.

The three children of Mr. and Mrs. Bud Leach are all sick with the flu.

Buddie Hillman is out of school with ear ache and flu.

The Community club met at the home of Mrs. Victor Korpela with a very good attendance. They put the necktie quilt in the frames and quite a lot of quilting was done on it.

Ben, Willie and David Macaulley and Bruce Lamb have moved into one of the Beach cabins at the Beach logging camp while working for the Beach Logging Co.

Mr. and Mrs. Lawrence Porter are driving a brand new car.

Mr. and Mrs. Frank Ray are grandparents for the second time in a week. The baby was born in the Newport hospital to Mr. and Mrs. Willis Carron. The Carrons live at Siletz. He is the son of Mrs. Ray.

Shorter work days and weeks give us both time and money to indulge in after-hours "puttering" and hobbies. Tools for home workshops amounted to a \$100 million business a year or so ago, and it's more today.

WHAT'S DOING

C. W. "Bill" Hawkins, your Telephone Manager for Cottage Grove

Left-over wire gets new lease on life

In the telephone business, we call the wire that leads from your telephone at home to the pole outside a "drop" wire. Maybe you've seen some of our men putting up drop wires around town. If you have, you probably noticed that a few short pieces were left over on some of the jobs. Now, these odds and ends of wire weren't of much use until recently. It was too costly to splice them together. But now an economical way has been found to join drop-wire scraps into long, continuous pieces which can be put to work. Naturally, this is a big cost-cutter... one that helps us as we work to keep down the prices you pay for service. Pacific Telephone works to make your telephone a bigger value every day.

Home's never very far away by telephone

Just because Dad's out of town on business, he needs to be out of personal touch with the rest of the family. In just moments, you can all be together again—visiting, laughing, trading the latest news. For even when you're far away, home's as near as the closest telephone. And a visit by long distance is almost like being there in person. It costs so little, too. You can make a three-minute "station" call clear across the country, after 6 p.m. weekdays and all day Sunday, for only \$2.00 (plus tax). And of course, rates for shorter distances are even less. So let long distance keep you in close touch with your family and friends. It's a pleasure you can hardly afford to miss.
