BEAVER!
Think I when I start to shave:
"Why to whiskers be a slave?"
"Why not let the darn things grow?"
"Til my phiz they overflow?"
"Let them flourish as they please,
"Til they reach down to my knees!"
By that time I'm half way through,
With a face that's clean as new;
Then I know I'd be a-feard
If I ever grew a beard!
Rather would I whiskers tweak
Than appear a hirsute freak!

About two-thirds of all fatalities from accidental falls — and they total some 21,000 annually, ranked only by motoring fatalities — occur in and about the home. Only three per cent of all deaths from accidental falls are sustained in factories, workshops, mines and quarries — a substantially smaller proportion than ten years ago and reflective of the results of safety programs in U. S. industry.
