CURTIN — A pink and blue shower was given in honor of Mrs. Arvin Black at the home of Mrs. Leland Svarverud Thursday evening, June 9.

Games and visiting were enjoyed and inspecting the lovely gifts, after which dainty refreshments were served to the guests.

Mr. and Mrs. John Sowles returned about May 23 from a month's trip back to Michigan to surprise Mr. Sowles' brother on his birthday. Mr. Sowles' sister, Mrs. Golden Kruse, of Yoncalla went with them. She hadn't been back since she was three months old to see her brother. It was George Sowles' 75th birthday. Mrs. George Covey, sister of Mrs. Sowles, accompanied them as far as Grand Junction, Colo., where she visited with her son and daughter-in-law, Mr. and Mrs. John Volgamore, who later brought her home. Mr. and Mrs. Sowles visited along the way thru Oregon, California, Nevada, Utah, Colorado, Missouri, Ill., Indiana, Kansas, Minnesota, Wisconsin, North and South Dakota and Wyoming. They spent most of their time visiting relatives in Flint and Muskegon, Mich. They reported a very nice trip. On their return, they drove to Grants Pass for the graduation of their granddaughter, Fay Thompson, on May 27 from the Rogue River High School.

Mr. and Mrs. J. R. Sowles were surprised with a visit from Mrs. Grace Bench of Vancouver, Wash. Mrs. Bench used to go to school at the Comstock school years ago and stayed at the home of her brother-in-law, Fletcher Cheesvoro, who was section foreman at Comstock. She also visited with Mrs. Bessie Griggs of Drain.

Pvt. Raymond Dotz is home on leave from Carson City, Colo. to visit his parents. On his return, he will be sent to New York.

Gene Meacham left Thursday morning for induction in the armed service. He was sent to Portland first and then left by plane June 11 for Fort Ord for his basic training.

A few close neighbors of Mrs. Willis Booher and Mrs. Erwin Goins surprised them with a potluck picnic supper at the Booher home June 11. It was in honor of Mrs. Booher's and Mrs. Goins' birthday, also a stork shower for Mrs. Booher. After eating on the picnic table outside, some of the men entertained with some music

while the ladies visited.

N. D. Grange News
The North Douglas Grange held its regular meeting Friday evening with Dean Boss, acting master. After a short business meeting, tables were set to represent each month of the year, with those whose birthdays fell in that month eating at that table. Each table gave a number for the program for the evening. The birthday party was in honor of the grange's second birthday since it was organized.

The first rates of pay for enlisted men were established by federal law in September, 1789, and set the base pay for privates at \$4 a month. In July, 1872, the basic pay for privates became \$13 a month and was increased to \$15 in May, 1908. Effective June, 1917, the basic rate was \$30 a month but was reduced by the act of June, 1922, to \$21. The Pay Readjustment Act of June, 1942, set the pay at \$50, the act of June, 1946, at \$75, and it is presently \$78.

Private Hugh Purvis and Corporal Charles Brown were the outstanding heroes of the battle with Koreans in 1871. Both were awarded the Congressional Medal of Honor for their heroic acts.

Most Modern Trucks on any job

with the most advanced
truck features the
industry has ever seen!

Only new Chevrolet Task-Force Trucks bring you the shortest stroke V8's in any leading truck and today's most advanced sixes—plus all these truly modern features!

They're the marks of a modern truck, and they out-date any make without them!

Beginning with Work-Styling, an entirely new development in truck design. For the first time in any line of trucks, Chevrolet brings you two styling treatments—one for light- and medium-duty models, another for heavy-duty jobs! Styling that's matched to the model and the job.

The latest in cab comfort and safety. Inside you can count on the same ultra-modern touch—softer seat action that reduces driver fatigue, and more durable construction throughout.

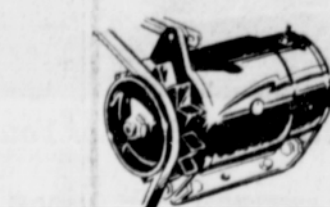

New concealed Safety Steps. Chevrolet's new Safety Steps are out of sight with the doors closed—stay clear of snow, ice or mud.

New panoramic windshield. For a wider, virtually unobstructed view of the road!

Fresh air in all kinds of weather. With new High-Level ventilation, air is drawn in through louvers at cowl level. That means air is constantly circulated through the cab, regardless of disagreeable weather conditions.

High-Voltage power—V8 or 6. The new lineup of Chevrolet truck engines includes the shortest stroke V8's in any leading truck, and most advanced sixes. All have a modern 12-

volt electrical system—double the voltage for quicker, surer starting and more efficient spark plug firing.

Tubeless tires standard on ½-ton models. Here's greater protection against blowouts.

Every Power Helper in the book. Power Brakes are standard equipment on 2-ton models, an extra-cost option on others. The new handling ease of Power Steering, another extra-cost option, cuts turning effort up to 80%.

You get the most modern trucks money can buy in
