

COTTAGE GROVE

CENTENNIAL

To celebrate the Cottage Grove Centennial, July 2-10, the Sentinel this week is featuring a special Centennial section.

Included in the section is a program of Centennial events, a list of Centennial awards and ads of Cottage Grove merchants advertising special summer and Centennial bargains.

The section is the first of three to be printed. Next week another Centennial section will appear in the regular Sentinel. This section also will be sent out separately July 1.

Old photographs and histories of the town will be displayed on the front page of the June 30 issue.

These special sections should be saved as souvenirs or programs for future reference, and they should help to make your Centennial experience more enjoyable.
