

Shout out the GOOD NEWS . . . The CHEV-OLDS GARAGE WHOLESALES!

(To Bonafide Retail Individuals Only -- Positively No Sales To Dealers)

ENTIRE STOCK of

USED CARS

(Sale Starts Jan. 19th at 8:30 A.M.)

Here's the Whole Story!

The new 1956 Chevrolets and Oldsmobiles are again BREAKING ALL SALES RECORDS! Our December sales were so great that we simply CAN'T sell the trade-ins through normal methods. We have NO CHOICE except to DUMP these cars for whatever they will bring . . . in other words, W-H-O-L-E-S-A-L-E!

Their true CASH VALUE! CAUTION! "Wholesaling" does not mean that we must have cash or that we will not take trades—JUST THE OPPOSITE: Because we are selling for less, we can take a lot less down! Your old car will make the down payment on a MUCH BETTER CAR with smaller monthly payments.
