Julson Named Chairman of Lane United Appeal

J. O. Julson, manager of the Pulp Division of the Weyerhaeuser Timber company, has been named general chairman for the United Appeal, according to Gordon Coleman, chairman of the United Appeal. J. O. Julson is particularly qualified for this important assignment, having been chairman of the Advance Gifts division of the McKenzie-Willamette hospital three years ago, and has been chairman of the Oregon Trail Boy Scout Council for two years. He is still an active member of the Council Board.

Julson came to Lane county six years ago from New York. He resides with his wife and three children at 55 W. 24th avenue. He is a member of the Springfield Rotary club, the Methodist church, Elks and Masons. During the last United Appeal campaign, he was a chairman on the Payroll Deduction committee. His committee appointments and chairman of divisions will be announced at a later date.

In accepting this assignment, Julson stated that it is the will of the givers of Lane county to adequately support the necessary services of the community, and that the most efficient way is the United Way, whereby the Community Chest and the Red Cross jointly raise funds once a year.
