Cottage Grove Ends Season, Drops Last Game to Eugene

One victory will have to prove enough for bottom-of-the-league Cottage Grove as they played their last game Sunday losing to Eugene by a 10 to 2 score.

The city team was host to the Eugene team Sunday in a game which was rather anti-climactic after the one win of the season over Junction City the week before.

The game only went seven innings. Tonole had to leave and the Grovers apparently discouraged after a poor season, had no substitutes present. Rules don't per-

mit a team to play short-handed and Eugene needed the win too badly to take any chances, so the game was called after seven full innings of play. At that time Eugene was leading 10 to 2.

Cottage Grove's two runs came in the third inning. Smith got a single and went to second on an error. He came in when Salt singled. Salt scored, after moving to second on an infield out, on a run-producing sacrifice by Carpenter.

Eugene got its first run in the third when Summerville doubled, knocking in Burgett. The Groves led until the fifth inning when Eugene let them have it with both barrels and scored a total of six runs.

The six runs came on three hits (two singles and a double), four bases on balls, one error and a hit batter. Eugene scored again in the seventh inning, leading three runs on one walk, two hits, and two errors.

Heavy hitters for Eugene were Bowman who got three for five, and Cellars who got two for three.

Noted sluggers for Cottage Grove were Carpenter with two for three, and Salt with two for three.

OSC Predicts Top Rate Team, Ticket Shortage

OREGON STATE COLLEGE—Corvallis—Three favorable factors have caused a spurt in football ticket sales at Oregon State college, Athletic Business Manager Jim Barnett announced today.

The closeness of the current season when the Beavers face one of their best home schedule in years, the termination of the Pacific Coast Conference meeting in Portland, and the prospects of one of Oregon State's best football teams in years have resulted in season ticket orders already received passing the total number sold in 1955.

The Beavers play California, UCLA and Oregon at Corvallis and Washington in Portland. All games will start at 1:30 p.m.

Several class reunions have been planned by the OSC Alumni Association this fall. Classes of 1931, 1936, 1941 and 1942 will celebrate at the October 13 California games and classes of 1946 and 1951 will get together at the October 27 Homecoming game between OSC and UCLA.

Mail orders received will be processed with the tickets in the mail shortly after September 1. At that time, all priorities will go off ticket orders and counter sales will begin at western Oregon agencies. J. K. Gill's of Portland will start selling OSC football tickets starting October 1.

Many See Water Show

"Holiday on Skis" was presented by the Tri-Pass Ski club of Eugene and Springfield Sunday at Baker Bay with a turn-out of hundreds. A skier traveling 55 miles an hour behind an airplane stole the show. Other outstanding feats were the six foot jumps, the pyramids, skiing barefooted, and dance and clown acts.

The 90-minute show Sunday was the first such show given locally. It was well received.
