

The Powder Puff Derby Begins

And Then Ends

NINE BRAVE WOMEN start out, top picture, in Cottage Grove's first Powder Puff Derby at the race track Sunday. Eight laps later, bottom shot, the race was called off because of a serious crash which demolished one car and sent two drivers to the hospital. The demolished car was driven by Yvonne Steinmetz. Also involved was Geraldine Papenfus and Jean Pruitt, car No. 2.

COOS BAY TRIANGULAR CLOSURE

An order defining a triangular area to be closed to commercial fishing at the mouth of the Coos

river was signed by the Fish Commission of Oregon in Portland this week. The closure will become effective August 23, upon filing with the Secretary of State.

FISH CLOSURE

Columbia river commercial fishing both above and below Bonneville dam will close at 6 p.m. on Saturday, August 25, according to M. C. James, state fisheries director.

James said confusion over the closing date may exist because weekend closures that have been in effect during the current season have started at 6 p.m. on Fridays; however, the designated August 25 closure supercedes the weekend closure.

Two Women Drivers Hurt In Jalopy Race

The Jalopy races ended unhappily for two drivers last Sunday. The two were Mrs. Yvonne Steinmetz and Geraldine Papenfus, volunteer drivers in the women's Powder Puff Derby.

Both women were sent to the Cottage Grove hospital for treatment of abrasions and lacerations. They were released Tuesday morning. The two were involved in a three-car collision. Driver of the third car, Jean Pruitt, was not hurt.

Winner of the 35 lap Main A race was Frank Williams. Winner of the 25 lap Main B race was Vernon Coop.

Fastest speed for the day was set by Danny Bernaski. He turned in a time of 19.70. The track record of 19.00 was set two weeks ago by Jim Mathews.

Other winners included Vern Coop, B. Trophy Dash; Frank Williams, A. Trophy Dash; Jerry Swanson, 6 lap slow heat; Wes Peterson, 6 lap slow heat; Bob Usilton, 6 lap fast heat; and Wally Morelock, 6 lap fast heat.

The next race will be held September 2, the day before Labor day. Time trials are at 1 p.m., the race begins at 2.

Football Practice Starts August 27

With the opening of football practice fast approaching, several organizational meetings were held this week. The first was Tuesday evening when a short talk was given at the high school. Equipment was issued and physical examinations were given in the other meetings.

Saturday night, August 25, there will be another talk in the school auditorium at 8 p.m. Any boys who have not been contacted, but who are interested in playing should plan to attend.

The Oregon School Activities Association sets the first practice date as August 27. The Cottage Grove squad will practice at night under the lights.

The first competitive action the Lions will see will be in the jamboree at Eugene on September 3. The Cottage Grove squad will play the Willamette Wolverines in the second quarter of action on this night. The jamboree has been changed so that four of the A-2 schools from the Emerald league play one another on the same evening rather than it being a two night affair.

The first game will see the Lions travel to Monmouth on September 7 to take on the potentially powerful Central Panthers. Central has 17 returning lettermen and starters back in seven of the positions.

The coaching staff here will be faced with rebuilding job after the loss of 13 seniors off last year's fine squad. There are 11 returning lettermen. They are: Ends - Gary Schmitt and Darrell White; Tackles - Stanley Harris, Du Simpson, George Woodworth and Earl Murry; Guards - Doyle Dillebeck and Ted Picknell; and Backs - Leon Hayes, Jim Hoover and Jerry Northcutt.

The first home game is with Springfield on September 14. Reserved seats for the football season will be on sale at the school office after August 27.

Wednesday Night League to Meet

Officers and team captains of the Wednesday night Women's Bowling league will meet at the Cottage Bowl Monday at 5:30 p.m., August 27. Any women wishing to bowl should attend.

The teams include Githens, Arcade theater, First National bank, Moose #1, Hammonds Piling, General Petroleum, McDoyle Dairy Queen, Rickini Lbr., Roberts and Drury, M.J.R. Service station, C. G. Sand and Gravel, and Fitzgeralds Refrigeration.

The proverbial "finding a needle in the haystack" became an actuality when a plastic fish tag was returned to the Oregon fish commission research laboratory at Astoria last week.

Women Bowlers to Meet

The Cottage Grove Women's bowling league will meet at the Cottage Bowl Monday at 5:30 p.m., August 27. Any women wishing to bowl should attend.

"FEET FIRST"
By Ed Hoover
Watch this space every week.
Something happened in the store the other day to convince me it doesn't do any good to give advice. Each of us has to learn from bitter experience.

This young couple came in, and she asked to see what was new in our fall fashions. I sensed immediately they were newly-married because he didn't know enough to go off in a corner to sit quietly the way any well-trained old married hand would. Instead, he plunked down beside her and started a string of wisecracks about women's taste in shoes.

She never said a word, but I noticed the more sarcastic he became the more shoes she tried on. I felt sorry for the guy so, while his wife was in front of the mirror admiring a particularly beautiful pair of shoes, I said friendly-like, "Take a tip, fellow, let up on the needling." I guess he thought I was afraid he would queer my sale. He laughed, and it wasn't a bit friendly.

Well, he went on teasing. Then he made this remark about how intelligent men were about their shoes, how they'd sooner go barefoot than be caught dead in some new-fangled fashion. That did it. His bride's pretty blue eyes glazed over with ice. Using just those icy blue eyes and nodding her head in approval, she selected four pairs of shoes, then stood up. He followed suit, pleased as punch. He hadn't hear her say a word about taking any of the shoes, so he figured he'd won.

When he saw me wrapping the four boxes, he looked surprised. "Now show the man how intelligent you are," his wife said with acid sweetness. "Show him you can sign your name to a check for \$60.75."

Right then, that newly-wed husband won my lasting admiration. In a single second he graduated from the ranks of novices to join all us professionals—he never uttered another peep, just timidly drew out his checkbook, silently wrote the check. As they left the store (he was carrying the shoes) I heard her say, "You'd rather go barefoot anyway, wouldn't you, dear?"
