hope your Yuletide season is filled with happy memories and that the coming year brings many pleasant moments. May I share with you a favorite poem which truly expresses the thoughts of the season?

THIS IS THE TIME
by Patience Strong

This is the time of endings, but of new beginnings, too. God sends us another year and maketh all things new; Another hope, another chance, another road to take; Another star to follow, and another start they make.

New beginnings, new adventures, new heights to attain. Golden opportunities to work and build again.

New and higher aspirations for the future days. Seeking, dreaming, moving on down bright and better days.
