

Subscribe Now to the National and Local RED CROSS WAR FUND

Monday, May 20, to Monday, May 27

The American National Red Cross asks for \$100,000,000 for war relief for the fiscal year—one dollar each for every man, woman and child living in the United States. There are those who are unable to give. You are asked to make a real sacrifice, if necessary, in support of the relief of the suffering and misery in and behind the war zone. Will you do your part? Are you ready to take up your share of responsibility? Decide now what your subscription will be—make it large enough to represent a real sacrifice.

Two Campaigns in One

In order to conserve time and effort, the Cottage Grove Red Cross Branch "drive" for war funds, for the fiscal year 1918-1919, has been combined with the national "drive" May 20 to 27. A local "drive" is necessary at this time as the Branch and its auxiliaries are out of funds and the work must not stop. Subscriptions to the local fund may be paid in full with subscription; or part cash and balance in twelve equal monthly payments beginning June 1; or all of subscription may be paid in twelve equal monthly payments beginning June 1, 1918.

IMPORTANT—The National Red Cross must be supported first. After you have made your subscription to the National Red Cross war fund, then make your subscription to the local Red Cross Branch fund, to be paid within a year.

CONTINUOUS RAISING OF FUNDS PLANNED TO BE ELIMINATED—It is hoped that sufficient funds for the Cottage Grove Branch and auxiliaries will be raised during the present "drive" in order that further local Branch Red Cross "drives" for funds during the coming fiscal year, June 1918 to June 1919, may not be necessary.

Conserve Time and Energy; Subscribe to Local War Fund Now

Every drop of energy is needed by the workers of the Red Cross Branch and auxiliaries in making up the quota of Red Cross garments and surgical supplies. Our boys in and behind the trenches are expecting us to do our

part at home. Will you help by making your subscription NOW for the coming year to the Branch and auxiliaries war fund and by so doing save continuous duplication and waste of effort in raising funds?

Summary of Work Accomplished During Year

Number of Red Cross members of the Cottage Grove Branch and eight auxiliaries, including Divide, Dorena, Saginaw, Hebron, London, The Cedars, Latham and Mount View..... 1401
