

AUSTRIANS DRIVEN FROM PIAVE DELTA

Italians Push Foe to River's Left Bank After Five Days' Struggle.

Rome.—Italian troops have completed their operations victoriously at the mouth of the river Piave by hurling the last remnants of the disorganized Austro-Hungarian forces across to the left bank of the river, according to the war office announcement.

"After five days of uninterrupted struggle," says the official communication, "the enemy was completely driven on to the left bank of the new Piave."

The Austro-Hungarian resistance was shattered in the area where the river Piave enters the Adriatic. The Italians pushed forward and reached the right bank of the new Piave from Grisolera to the south of the river and took 400 prisoners.

After desperate fighting the Italians repulsed a counter offensive of the Austro-Hungarians in the direction of Chiesanuova, on the northern Italian front.

On the Asiago plateau the statement chronicles a raid by the French which resulted in the capturing of prisoners and machine guns. Austro-Hungarian attacks between the Frenzella valley and the Brenta were repulsed.

SIBERIA NOW HAS NEW GOVERNMENT

London.—A new provisional government for Siberia, which has the unanimous support of the population and which will continue to fight the central powers has been established at Vladivostok, according to a dispatch from Tokyo.

The program of the new government includes the liberation of Siberia from the Bolsheviks; the avoidance, if possible, of foreign interventions; universal suffrage; establishment of provincial councils and a labor bureau; distribution of the land among the landless and control of economic activities.

The situation in Siberia is undergoing important changes and the counter revolution assisted by the Czech-Slovaks is spreading, says a dispatch from Pekin. The Bolsheviks are being driven westward from Irkutsk and many are endeavoring to escape into Mongolia.

ALLIES ADVANCE 15 MILES

Much War Material and More Than 1300 Prisoners Captured.

Rome.—Prisoners exceeding 1300 in number, guns, airplanes and machine guns and a large quantity of booty have been captured by the allied troops in their offensive in Albania, according to the announcement of the Italian war office.

The allies have made new progress along the left wing on the Adriatic coast, their advance approximating 15 miles in three days. The land forces were assisted by British monitors.

North of the lower Vozusa river, the Italian cavalry flanked the Malacastra ridge passing through the western slopes of the ridge and the Adriatic. By this operation the cavalry took the Austrians in the rear and destroyed bridges over the Semini river to the north.

German Envoy to Russia Killed.

Basle.—General Count von Mirbach, German ambassador to Russia, was assassinated at Moscow, according to a dispatch received here. Obtaining admission by false pretenses, two unknown men entered the private office of Count von Mirbach. A short discussion ensued. Then revolver shots were heard, followed by explosions of hand grenades. The ambassador died almost instantly.

251,000 AMERICANS ARE ON FIRING LINE

Washington.—American troops actually on the fighting lines in Europe about July 1 numbered 251,000, according to information given by General March, chief of staff, and other members of the war council at their weekly conference with members of the senate military committee.

The situation along the western front, he said, has developed into continued "nibbling" by allied forces with complete success being obtained. The most important of these minor raids, from the American standpoint, was the attack on Vaux.

The attack on Vaux was carried out by the 9th and 23d infantry, supported by the 12th, 15th and 17th field artillery, all of the 2d division, under command of Major General Omar Bundy. The success attained there has been completely consolidated, subsequent counter attacks by the Germans failing to cause the slightest withdrawal from the territory occupied.

BRIEF NEWS OF THE WAR

American troops stationed in a sector of the Vosges region carried out a raid in which prisoners were taken.

On the British portion of the western front 122 German airplanes were downed and 73 driven out of control during the past week, it was announced. Fifty-two British machines are reported missing.

Australian and American troops swept forward on a four-mile front between Villers-Bretonneux and the river Somme and penetrated German positions to the depth of a mile and a half, capturing the village of Hamel, Valre wood and other vital points beyond Hamel.

Victory in a five-day battle and recapture of the entire coastal zone around the mouth of the Piave river was announced by the Italian war office. All Italian material and guns abandoned in the first rush of the Austrian offensive have been recaptured, with immense quantities of Austrian military supplies, the statement said.

The allies in a series of raids improved their positions at various points along the main front. American, British and French troops took valuable ground and more than 5000 prisoners from the enemy. The most interesting of these raids from the American viewpoint was the successful attack on Vaux. This town was taken by a nicely-planned American attack in which the 9th and 23d regiments of infantry furnished the infantry contingent and the 12th, 15th and 17th regiments of field artillery supported the attack. These troops form a part of our second division, which is under the command of Major-General Omar Bundy.

Victims of River Disaster Over 150.

Peoria, Ill.—With 63 bodies recovered the total number of dead may reach 150 to 200 persons, as the result of the wreck of the excursion steamer Columbia. Survivors stated that the big steamer, carrying 500 passengers on a return trip from Peoria to Pekin, Ill., was driven against a sandbank scarcely 10 feet from shore and about five miles south of Peoria, during a heavy fog. While the orchestra continued to play on the dance floor which proved a death-trap to most of the 200 dancers, the vessel, it was said, backed into deep water, where it suddenly broke in two and immediately settled on the bottom of the river with only the pilot-house and part of the superstructure appearing above the water.

LITTLE TRACTOR DOES WORK OF MANY MEN

Woodson Brothers Accept Agency for Southern Lane County.

Woodson Brothers, of this city, have been appointed agents for this end of the county for the Fordson tractor, the product of the Ford tractor plant at Detroit. They have contracted for 20 of the machines. Eleven thousand of these little machines are already in the hands of American farmers, and 6000 have been shipped to England and over 1000 to Canada, where they are helping to save crops necessary to the production of foodstuffs.

Experiments have demonstrated that the tractor will do the work of 8 horses. It weighs but 2700 pounds and can travel from two to seven miles an hour. It will pull with ease two 14-inch plows. Its horsepower is rated at 22.

PET GOAT LIKES NEXT WASHBURN FEATURE

During the filming of "Skinner's Dress Suit," Bryant Washburn's current Essanay feature, the manuscript suddenly disappeared from its studio table. A search revealed the script being chewed up by "Billy," Essanay's pet goat.

"That goat shows excellent taste in photoplays," remarked the star.

"Billy" was permitted to complete his meal, a copy of the script being substituted.

SOCIETY.

Wilson-Moe.

Silk Creek, Ore., July 18.—(Special to The Sentinel.)—The wedding of Roland Oliver Wilson, of Tillamook, and Miss Eunice Janetta Moe, daughter of Mr. and Mrs. John Moe, of this community, was solemnized at the Seventh-day Adventist church at 8 o'clock Sunday evening, Elder J. A. Rippey, of Roseburg, officiating.

On the stroke of the hour Mrs. Celia Johnson began playing the wedding march. Elder Rippey walked up the center aisle, followed by little Kate Luchterhand and Eldon Wheeler, who scattered rose leaves as they walked. The bride followed, attended by her sister, Mrs. D. A. Wheeler, who acted as matron of honor. The bridegroom, accompanied by D. A. Wheeler as best man, came up the left aisle and met his bride at the rostrum, where, under an arch of ferns and white roses, the ceremony was performed. While congratulations were being extended, J. B. Moe, brother of the bride, sang "Love's Old Sweet Song," accompanied by Mrs. Celia Johnson, sister of the bridegroom.

The bride wore white crepe de chine, her veil of white tulle was fastened with white carnations and she carried white carnations. The matron of honor wore white and carried pink carnations.

Refreshments were served by Miss Elsie Dendorff and Miss Verna Estes in the assembly room of the academy building. The presents were numerous. The couple will make their home at Tillamook.

About a hundred guests were present. Those from outside points were: Mr. and Mrs. Rodernal and Mrs. Spurgeon, of Portland; Mrs. Young, Mrs. Post and children, and Mr. and Mrs. Pettibone and children, of Eugene; Mrs. McLaughlin, of Coquille; Lloyd Wilson, of Bonneville; Mr. and Mrs. I. H. Wilson and daughter Celia, of Tillamook; H. J. Shinn, Mr. and Mrs. C. M. Shinn and Miss Bonita Beager, of Cottage Grove, and Mr. Cook, of Clifton.

Mrs. Elbert Smith entertained charmingly Wednesday afternoon for her little son and daughter, Elbert and Evelyn. Miss Cora Treynor, of Council Bluffs, Iowa, who is a guest of Mrs. Smith and her sister, Miss Myers, and who is a kindergarten instructor, proved a delight and a wonder to the little folk. She taught them many new kindergarten games, presented dancing fairies, the manipulation of which puzzled the mothers as well as the children—especially their disappearance to "no one knows where." Each tiny guest was presented with a paper soldier cap, and all were marched to a table on the lawn where they were served with ice cream and hooverized cake. The favors were little baskets filled with candy. Other children's games followed the lunch.

The invited guests were Mrs. Charles Adams and daughter Adeline, Mrs. Charles Beidler and daughter Madeline, Mrs. S. L. Mackin and daughter and son, Frances and Harold; Mrs. C. E. Umphrey and daughter Dorothy, Mrs. Armand Wynne and daughter and sons, Louise, Henry and Armand, Jr.; Mrs. Joseph Knotts and son Ross, Mrs. E. O. Elliott and son Horace, Mrs. S. V. Allison and daughter Jean, Mrs. Nelson Durham and son Lester, Mrs. Alfred Skei and daughter and son, Betty and Thurston; Mrs. Elbert Bede and daughter Beth, and Mary Ellen Benson.

The M. P. G. club picnicked at Blue Mountain Thursday evening of last week. The members of the club went out in the afternoon and their husbands went out for supper. Mrs. Sophronia Jessup, of Boise, Ida., great aunt of Mrs. K. K. Mills, Miss Evelyn Bristow, of Eugene, who was visiting Mrs. Gottfried Graber, and Miss Minnie Wilcox were guests of the club. Mrs. C. C. Cruse, a member of the club, now of Port Stevens, was present.

Miss Belle Burkholder entertained Friday evening in honor of Miss Evelyn Bristow, of Eugene. Only a few friends were the guest of honor were present. Social games were the diversion of the evening. No refreshments were served.

Mrs. C. E. Umphrey entertained her Sunday school class in Godard's grove Thursday evening of last week.
