

LIBERTY BONDS BUILD TANKS

This is one of the light tanks which played such an important part in the recent allied drive on the Montdidier-Amiens front. Known in the British army as "Whippets", they are also in use by the French. No American communique has mentioned their use as yet.

The "whippet" is said to be able to outspeed and outmaneuver a man. Their greatest use has been in crushing the machine gun posts which the retreating Germans left behind to hold off pursuers. The enormous bag of prisoners was due to the "whippet's" ability to drive lanes through all obstacles, evade hostile artillery fire by their speed and maneuvering ability, and even force the surrender of artillery.

A large part of the Fourth Liberty Loan probably will be needed for the building of such land "destroyers".

"What are those Verdampft Yanks yelling about now?" said Fritz on Parade.

"The Schwein pigs have just heard that the Fourth Liberty Loan was oversubscribed fifty per cent," the Sergeant in Special Charge of Baby-Killing said.

The German sergeant and sixteen men had just reached safety after a glorious retreat of 2.7 kilometers from the Aisne.

"What made that Yank so mad when he couldn't catch up with us?" inquired a corporal when they had recovered their breath.

"He was all hopped up with a report that the Fourth Liberty Loan was way oversubscribed," said the sergeant, who had been in the United States and knew how those things worked.

Fetter Fritz, Free France—Buy Liberty Bonds.

The Cyclops has no more completely disappeared than would Freedom from America if the Hun conquered. Do your part in crushing the Hun by buying Liberty Bonds today.

Parry the Allied punches as he will, there will be one battle from which the Kaiser will reel back whipped, his power forever crushed. As you would have every ounce of your muscle aiding such a blow, buy YOUR limit of FOURTH LIBERTY LOAN BONDS.

It is not the size of your subscription, but its proportion to what you can honestly afford, that will mark when the FOURTH LIBERTY LOAN is past whether or not you are 100 per cent American. And if you are not 100 per cent American you are 100 per cent Boche.

Liberty Bonds or German Bondage. Buy over here to win over there—Liberty Bonds.

Scrapped by the Allies

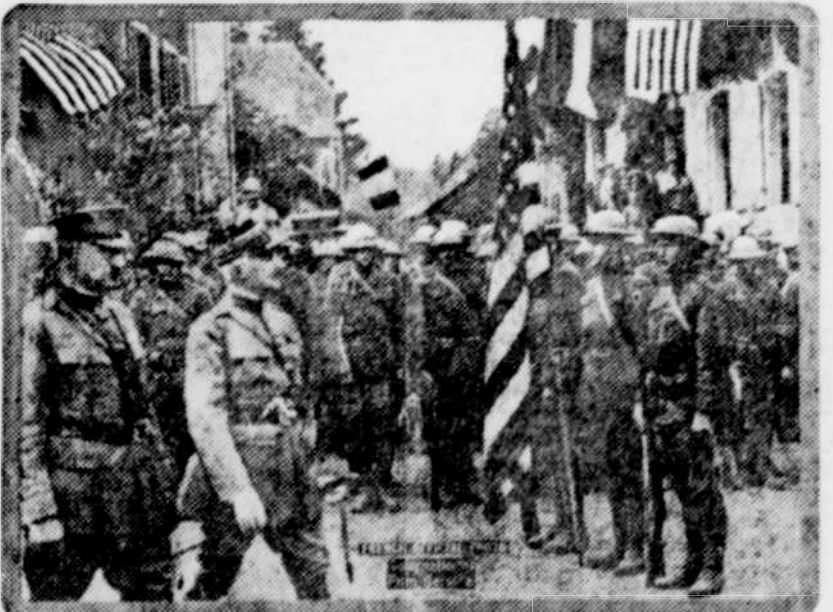

Confronted with the menace of a power which knew no law but its own bestial pleasure, America had no course but to add its strength to the battle which should establish for some centuries that might is not right. On no other basis will peace last.

With every fiber of the national being aquiver with war effort, are YOU contributing the full measure of your support?

Let your answer be loud and clear at the next opportunity, which is the Fourth Liberty Loan. Nothing but MORE THAN YOU CAN AFFORD will be an honest answer.

'OLD GLORY' FLIES ON GERMAN SOIL

Here is an American commander in Alsace accompanying a French general in his review of a Yankee contingent billeted in a town where the trench line in the Vosges has invaded territory under the German flag when the war began.

Fourth Liberty Loan bonds will help remove the Boche from Alsace and Lorraine as well as from ravished Belgium.

The mellowness so characteristic of Crescent Vanilla is the result of aging in white oak casks.

It's the care in making as well as the fine quality vanilla beans used that makes Crescent Vanilla superior.
