

# THE KAISER IS Coming in Chains

The Kaiser is coming—but in chains. Imprisoned in seven reels of patriotically designed celluloid, "The Kaiser, the Beast of Berlin," the wonderful seven reel Jewel production, will arrive in Cottage Grove Friday, September 27, for a two days' engagement, Friday and Saturday, September 27 and 28, at the Arcade theater. This stirring photoplay has been used in Chicago, New York, Kansas City, Atlanta, and every large city in the United States for liberty loan drives, thrift stamp campaigns, Red Cross appeals, etc.

"The Kaiser, the Beast of Berlin," is in seven reels, and recently was completed at Universal City, Calif., after six months in production. The picture shows the Kaiser to be a war maniac, drunk with power, and possessing an insane desire to place the world under German rule. From well known authorities and their writings personal characteristics of the German ruler and interesting, yet brutal, incidents of his life have been woven into an absorbing story which for the most part is laid in Belgium and Berlin.

### GOVERNMENT WANTS MORE CANNED GOODS OF STATE

Practically all of the dried prune output of the state and 40 per cent of the canned string bean output have been reserved for government use, and now the government has asked J. O. Holt, manager of the Eugene Fruit Growers' association and representative for the state of Oregon of the government division of coordination of purchasing, to ascertain what the output of canned tomatoes will be this year, so as to reserve a certain percentage for government use.

All the dried prunes except the 30's and 40's have been reserved for use in the army and navy.

### State to Sum Factories

Proprietors of all factories where the state inspection fees have not been paid will be sued by the state, according to announcement yesterday by Donald Young, deputy district attorney of Lane county, who yesterday filed suit in behalf of the state against the Briggs Lumber company, of Walker, to recover the inspection fees for the year 1916-17 and 1917-18 which, it is alleged, have not been paid. The fee is \$5 a year. Deputy District Attorney Young says

there are quite a number of plants in Lane county that have not paid their fees, and fair warning will be given them before suit is brought.

### FATHER AND ONLY SON REGISTER FOR SERVICE

What is thought to be the only case of the kind in the state occurred here when H. H. Veatch, aged 45, and his only son, Raymond, aged 18, registered at the same moment for Uncle Sam's bun chasers. Mr. Veatch is a traveling salesman for the Marshall-Wells Hardware company. Raymond is a high school lad and has been assisting his country this summer by working in a sawmill. The wife and mother, Mrs. Veatch, is postmistress here.

### No Gasoline in East

S. L. Mackin, who returned Wednesday from New Richmond, Wis., where he was called by the illness and subsequent death of his father, reports that no Sunday pleasure motoring is permitted in Wisconsin or any of the other states east of the Mississippi. Although parts of 85' Paul and Minneapolis are west of the river, the fuel administration's order has been applied to all of both cities.

### Earl Garoutte Now a Lieutenant.

Earl Garoutte, son of L. B. Garoutte, formerly a resident of this city, has wired his folks at Sacramento, Calif., that he has been commissioned a second lieutenant and assigned to the adjutant general's department.

Garoutte enlisted with the engineers when the war broke out. He was sent back after getting as far as New York. He was considered physically unfit for overseas service.

Not discouraged, Garoutte presented his application to the Y. M. C. A. for overseas service and was accepted. He was sent to France as one of the Y. M. C. A. secretaries. Later, he reentered the army. His brother, Leonard, is also in France hauling ammunition to the trenches.

## KRYPTOK GLASSES

THE ONLY INVISIBLE BIFOCAL

If you need double vision glasses, don't think of wearing old-time bifocals with the annoying line that makes you look freakish.

KRYPTOKS (pronounced Crip-tok) are the only bifocals in perfect taste because they look exactly like single vision glasses. These smooth, clear glasses—free from line or hump—add a touch of distinction to your appearance, and help to keep you young-looking.

### TROOP SHIP STRUCK BY TORPEDO

2800 Yankee Troops Are Aboard but All Are Safely Landed and Submarine Is Destroyed.

London, Sept. 10.—A troopship with 2800 American soldiers on board has been torpedoed. All hands were saved. The troopship was headed.

The troopship was a member of a large convoy approaching the English coast. The vessel was torpedoed 200 miles from shore at 3 o'clock Friday afternoon.

Something had gone wrong with the troopship's engines which compelled her for a time to lag behind the rest of the convoy, but the trouble had been fixed up and she was fast catching up with the other transports when the torpedo struck her just forward of the engine room.

The vessel at once began to sink by the bow. Many of the soldiers at the time were taking baths. They did not wait to dress, but made for the deck with what little clothing they could hastily lay their hands on.

The transfer of the soldiers from the stricken vessel to escorting British and American destroyers was quickly made

without loss of life or even injury.

Several soldiers told the Associated Press that they saw the German submarine lifted clear out of the water after one of the depth bombs exploded and then entirely disappear.

This is the third ship carrying troops to be attacked with any degree of success. The Tuscania was sunk off the Irish coast in February. Of the 1912 oficers and men on board, 294 perished. The Moldavia was sunk May 23, and 55 Americans lost their lives.

### DOLLAR DAY, REGISTRATION DAY, IS BUSY ONE

Yesterday was a mighty busy day in Cottage Grove. Those who were required to register for bun hunting licenses began arriving from the country precincts bright and early and many others were attracted by the dollar day bargains offered by the merchants of the city. The registration officials were kept busy all day but the work was handled with dispatch and none were delayed at the registration office more than a few minutes. The complete list of those who registered will be published next week.
