School Children's Eyes Should Not Be Neglected

The first symptoms of eyestrain should be heeded. If the eyes were weak during the last term of school, have them examined before entering school this fall. Often I can help a child escape glasses later.

A. BRUND & COMPANY

BABY CLINIC TO BE HELD HERE

Conducted as a Patriotic Move and Not to Be a Baby Show in Any Sense.

A free baby clinic will be conducted in Cottage Grove from September 18 to 25, during which time all mothers having children under the age of six years will be expected to present them for examination. This will not be compulsory, but is considered a patriotic duty.

The physicians of the city will have charge of the clinic and will give their services free. The clinic will be conducted in the parlor of the commercial club and the hours will be from 9 to 5 each day.

This work is being done under the direction of the women's committee of the council of national defense. It is not in any way a baby show, but a patriotic movement having for its purpose the improvement of the physical and mental health of those who will be the citizens of the future.

A number of women will be needed to assist in this work and Mrs. Karl K. Mills, chairman for Cottage Grove, has asked those who can possibly take the time for the work to be present at a meeting to be held at the commercial club Monday afternoon at 3 o'clock.

Following are the chairmen for the school districts of this community, who have been appointed by the county committee, each of whom is asked to be present at the meeting Monday afternoon:

Your Old Suit

What are you going to do with your old suit? It may look pretty shabby. It looks that way not because it is worn, but because it is soiled. Let us clean it and it will look like new. Picked up any time; cleaned Fridays and pressed Saturdays and Mondays.

The COTTAGE GROVE LAUNDRY

such a parade will be held at Eugene on that date, which falls on the last day of the county fair, and any mothers, wives or sisters of soldiers who happen to be there on that date are invited to join in the parade there. Each will be expected to carry a service flag.

The Sentinel—the live wire newspaper.

JAMES F. HARDING IS IN THE CASUALTY LIST

Not Known Here and It Is Thought Error Has Been Made.

The name of James F. Harding, address given as Cottage Grove, Ore., appears in the casualty lists published yesterday. No one by that name is known here and it is thought that some error must have been made. A careful examination of the complete list of names of men in the service, kept by The Sentinel, fails to reveal any name similar enough to be the one, after allowing for possible errors in cable transmission. The nearest resemblance is found in the names of Ellis Harding and Floyd F. Hartzell, but there is too much of a dissimilarity to make it at all probable that either is the one in the casualty list. No word has been received by relatives of either.

Harding is in the navy and Hartzell left here as a member of Sixth company, being now in France as a member of the 65th coast artillery.

ENGINEER LOSES FINGER HERE AND DELAYS TRAIN

Train No. 18 was delayed here Saturday forenoon in an unusual manner. While Engineer William O'Malley was oiling his engine the forefinger of the right hand became entangled in the mechanism and was severed at the first joint, and the train had to wait here until another engineer could be secured, causing a delay of about an hour.

MOTHERS OF SOLDIERS ASKED TO JOIN PARADE

The woman's committee of the state central liberty loan committee has directed that a mother's parade be held on September 21 in all the larger cities of the state. Mothers, wives and sisters of soldiers are permitted to march in this parade. The local liberty loan committee has decided that it cannot undertake to arrange such a parade here, but

IF YOU HAVE DISEASES OF THE Stomach, Disease of Skin or Gall Stones . . . See Dr. Oglesby

Cottage Grove Hospital

A strictly modern homelike hospital fully equipped for the scientific treatment of any disease either medical or surgical.

Open to patients of any physician.

Special terms to obstetrical cases.

Moderate rates to all.

Special attention given to diseases of eye, ear, nose and throat and general surgery.

DR. S. M. WENDT, PROP.

TO THE PATRIOTIC WOMEN OF COTTAGE GROVE:

The Cottage Grove Branch of the American Red Cross is VERY MUCH in need of workers in both the sewing and surgical departments. Unless you are willing that Cottage Grove fail in loyalty to our boys who are giving their lives to the great cause, you—this means you individually—must come and give some of your time to the service of the Red Cross.

I especially want to call your attention to the fact that at this time we are approximately seven hundred MOSS PADS short of the quota given Cottage Grove for this month. A few women can not do it all—this is your duty as much as any others, and you must do YOUR part if you are loyal and patriotic. Come help.

C. M. SHINN,
 Chairman Cottage Grove Branch
 The American Red Cross Society

I give special attention to the Eye, Ear, Nose and Throat, as well as General Surgery. Eyes tested and glasses fitted. Dr. Wendt, at Cottage Grove Hospital
