MISUNDERSTANDING CLEARED UP

A misunderstanding relative to the canteen work of the Y. M. C. A. has been cleared up by the War Department, which issued the following:

"Matter of prices asked by Young Men's Christian Association for its articles sold in canteens overseas already investigated by war department and condition is being remedied. The Young Men's Christian Association was originally asked by General Pershing to run the canteens for the army on a cost basis. In order to do this it had to reckon in price fixing such overhead charges as transportation charges and marine insurance so that prices were much higher than in this country.

"The Young Men's Christian Association made no profits, but lost thousands of dollars. Arrangements now made will enable them to obtain supplies from sources that will reduce overhead charges and keep prices down."

THE QUALITY STORE—GOOD SERVICE

The Ring Are Beginning To Bray—Jones Is Twist- ing Their Tails

THE RING, who have had their fingers on the taxpayers' pocketbook so long that it hurts to let go, are now scattering S. O. S. circulars intimating that WALTER B. JONES, INDEPENDENT CANDIDATE FOR STATE SENATOR, has no conscience because he did not stand by the primaries after signing a pledge. I NEVER SIGNED THIS PLEDGE—but suppose I had, who is injured, outside of the RING? I certainly am not robbing the taxpayers. I came up to the city limits with a majority vote, but the RING in Eugene overcame this by 70 votes. I did not squeal because the RING beat me, but took off my coat and fought all the

harder for what I think is just and right to the taxpayers. In this S. O. S. the RING are sending out over the country they ask, "Has WALTER B. JONES a conscience?" I would hate to have the RING handle my conscience. It would stand about as much show as a charcoal dog chasing an asbestos cat through hades. Ask the widows and orphans I assisted during my four years as Juvenile Officer; ask the 5342 voters of this old county, who said I was right in refusing to sell my vote on the \$6,000,000.00 read bond bill; ask the legislators, who said I was right in helping to defeat the bill allowing the County School Superintendent a vote in hiring teachers in the country school districts; ask the farmers with whom I stood in breaking up this irrigation scheme that certain promoters tried to force upon them, whether WALTER B. JONES has a conscience. While on the subject of conscience, what is your answer to this question? In 1914 O. H. Foster and partner's taxes on their law library amounted to

\$31.05 (see tax roll 1914, line 9). They paid the first half and refused to pay the last half. In 1915 their taxes were \$31.86 (see tax roll 1915, line 1). They refused to pay these taxes. In 1916 their taxes were \$37.49 (see tax roll 1916, line 7). They refused to pay these taxes. In 1917 O. H. Foster's taxes on his library and automobile were \$27.46 (see tax roll 1917, line 8). He refused to pay these taxes. O. H. Foster, who is drawing down \$150.00 per month from the Eugene taxpayers, is a candidate for State Senator against me. Now I have always paid my taxes and have not relied upon a technicality of the law to evade payment. Which man is the most patriotic and doing his share in helping the government—the man who refuses to pay his taxes, or the man who pays, stands by the people and is not controlled by the

RING? Which man do you want to help make your laws? WHO HAS THE CONSCIENCE? Think this over. YOUR ANSWER WILL DECIDE YOUR VOTE ON NOVEMBER 5. Yours truly, WALTER B. JONES, Independent Candidate for State Senator. (Paid Ad.) nlc
