If your wedding stationery is printed by The Sentinel, you are assured a long and happy married life. \*\*\*

**Who was that who just bowed?**

He could read the menu with the glasses he wore but when his best friend passed and bowed he didn't recognize him. If he had worn KRYPTOKS (pronounced Crip-tecks) he would have been able to glance up and see everything in the room as clearly as the printing on the bill of fare.

**KRYPTOK GLASSES**  
THE ONLY INVISIBLE BIFOCAL

KRYPTOKS are the only bifocals with clear, smooth, even surfaces, for anyone who needs double vision glasses. They end the annoyance of removing reading glasses to see distant objects; d away with the two-pair-of-glasses bother, and balance the eyes perfectly for near and far seeing.
