

STICK — 'til the last Yank is back

Finish The Job—

Our job here at home is not over as long as there is one American soldier overseas—as long as one dollar is needed to finish the task.

Nearly a million Yanks are still "Over There" guarding what they won.

• —So STICK.

STICK—"TO THE LAST MAN, TO THE LAST DOLLAR."

STICK WITH THE VICTORY LIBERTY LOAN.

COTTAGE GROVE citizens---men women and young people---are asked and depended upon to take up their share in the costs of victory. Our government has already pledged the funds of the fifth loan for reconstruction work, for the costs of victory and in bringing our boys safely home. The Victory Loan comes to each citizen as the test of real citizenship. Plan NOW how many bonds you will take. You can help to make the coming campaign a success in this territory by registering at once at either bank your name and the amount of fifth loan bonds you will take. Do it now!
