Looking Ahead

and protecting yourself from eye troubles is indeed mighty good foresight. If your head is often dizzy or your vision blurs, it is time to allow us to make an examination.

We can fit you to glasses that will correct your fault and be a comfort to the eyes.

We grind our own lenses and make them fit the needs of your eyes.

The scientific, drugless adaptation of glasses for the aid of vision and relief of eyestrain.

SOCIETY.

Mrs. E. J. Howe was pleasantly surprised by ten of her friends Saturday afternoon at the F. W. Hawkins home on Fifth street, the occasion being a birthday anniversary. Refreshments of ice cream and cake were served.

In their beautiful home at Lorane on Sunday, July 13, 1919, Mr. and Mrs. W. S. A. Edlefsen (nee Wehrs) celebrated their golden wedding anniversary. In the circle of their children and grandchildren the happy couple spent a day of joyful celebration. Among those present were Mr. and Mrs. Herman Kroschberg and children, of Milwaukee, Wis.; Mrs. Catherine E. Scott and children, of Bellingham, Wash.; Mr. and Mrs. Richard Eilmann and children, of Milwaukee, Wis.; Mr. and Mrs. John Bader, of Cottage Grove, and daughter, Mrs. Benjamin Elliot, of Pittsburg, Penn. Many telegrams and best wishes were received from the east, and many western friends called personally to extend heartfelt congratulations. Mr. and Mrs. Edlefsen were both born in 1846 in Altona, in the then Danish province of Schleswig-Holstein. Mr. Edlefsen, a florist and nurseryman, came to this country in 1867. In 1869 he was married in Pittsburg and lived there ten years. In 1877 he removed to Milwaukee, Wis., where he conducted a successful florist business for almost 35 years. Because of failing health, Mr. and Mrs. Edlefsen came to the west and took up their present residence in Lorane in 1912. Here they have built a beautiful home, "Wood-Rest," and hope to spend another 25 years among the roses and evergreens.

Seven of the young matron friends of Mrs. Armored Monson pleasantly surprised her Tuesday evening at the home of her mother, Mrs. Robert Sutcliffe, where she is visiting. A pleasant evening was spent in social conversation and refreshments of ice cream, sherbet and cakes were served.

"Aunt" Jemima Robinette Dies.

"Aunt" Jemima Robinette, one of the pioneers of this section of the valley and well known in Cottage Grove, died at Creswell Sunday, interment being made here Tuesday in the Shields cemetery. She was a daughter of William Shields, who took a donation land claim here in the earlier days, a large part of which is now in the city of Cottage Grove. Mrs. Robinette was 85 years of age October 20 last.

Mr. and Mrs. Worth Harvey and Miss Belle Burkholder were pleasantly entertained Wednesday evening by Mrs. S. L. Knox and daughter, Miss Mamie, at their summer home.

The Social Twelve club was entertained yesterday afternoon by Mrs. Herbert Eakin. After an afternoon pleasantly spent socially, the hostess took her guests to the Bon Ton, where refreshments were served. This will be the last meeting of the club for the season.

The LaComus club met Tuesday afternoon with Mrs. W. W. McFarland and a pleasant social afternoon was spent and refreshments were served. Mrs. Archie Thompson was a guest of the club.

The Wed. Penoyer family has moved into the city from Saginaw.

In Again

You can't get rid of me. I'm right on the job again and am looking for the business to keep things moving. I will try to do my part if you will do yours.

Card of Thanks.

We wish to express our sincere appreciation to the neighbors who gave us such noble assistance at the fire that destroyed our home, and also to the members of the fire department. jll8c J. F. LAMSON & FAMILY.

HAY HAY HAY

Let me fill your mow with choice oat hay, fall sowing now, or spring in about two weeks. E. J. Kent, phone 1F13. jll1-18pd

Music and Knives

But what has music to do with table knives! Just this:

The best silverware you can get is marked "Sterling"; the best phonograph you can get is marked "Pathe."

The Pathe phonograph is different in principle, better in result. The Pathe sapphire ball, a round polished jewel, replaces the old-fashioned steel needles, which cut and gouge the records. No needles to change; no needles to buy; always ready to play. The Pathe plays all makes of records, and plays them better. Every Pathe record is guaranteed to play 1000 times. These are just three of the big Pathe advantages.

But the most important Pathe feature is the tone. The sapphire ball and the all-wood violin tone chamber give the pure clear tone of perfect music. Not a shading is lost; not an expression missed. When you hear a Pathe instrument, you at least realize how perfectly music can be duplicated.

We have selected the Pathe instrument because we know it is best. After a careful investigation and comparison of all makes of phonographs and records, we realized the Pathe superiority. Yet the Pathe costs no more than the ordinary talking machine.

Give your ears a treat. Let us play a jeweled Pathe for you—the phonograph of Sterling quality.
