#### Resolutions of Condolence.

Whereas, it has seemed best to the Supreme Ruler of the universe to remove from this Circle of the Neighbors of Woodcraft to the great Circle above our highly esteemed Neighbor, Marian I. White, now, therefore, be it Resolved, That this Circle extend to the mother, brother and sister of said Neighbor their heartfelt sympathy and regrets, and feel that the Great Ruler above, will lighten their burden of grief. And be it further

Resolved, That a copy of these resolutions be presented to the mother, a copy published in the city paper, a copy spread on the minutes of this Circle, and the charter draped for a period of sixty days.

ALICE COFFMAN,  
MAUDE WHEELER,  
MYRTLE McFARLAND.

#### Water Is Pure.

The rumor that the intake on Layng creek is being used for a swimming hole is absolutely false. There is also no truth in the report that the city is using Silk creek water. The Layng creek reservoir is much higher than the Silk creek reservoir, therefore it is impossible for the city to get anything but Layng creek water.

The muddiness of this water, at times, is due to cleaning pipes. Layng creek water has been analyzed and proven to be pure and healthful.

W. W. OGLESBY,  
City Health Officer.
