**Going It Too Hard**

Overwork, worry, overeating and lack of exercise and sleep are responsible for much kidney trouble. If your back aches and the kidneys seem weak, rest up and use Doan's Kidney Pills.

H. N. Henriksen, Dorena, Ore., says: "I was flat on my back for about three weeks on account of intense pain across my kidneys. I think following the blacksmith trade for twenty-six years had a lot to do with bringing on the trouble in the first place. I knew my kidneys were out of whack and began using Doan's Kidney Pills. They fixed me up in good shape and I haven't been bothered for a year now. I gladly recommend Doan's, for I know they are a fine kidney medicine."

Price, 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Henriksen had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

**SHOOTING OF ELK IS NOT TO BE PERMITTED**

There is to be no shooting of elk in Oregon during the year 1919. Such is the statement made by State Game Warden Carl D. Shoemaker, who has received a number of inquiries as to the date of the opening of the season for hunting elk. In order that the misunderstanding may be corrected, the game warden explains that the 1909 law protected elk until August 1, 1919, but this law was repealed by the 1913 legislature and perpetual protection was provided for this noble animal. "There will be no open season on elk in this state at any time unless the legislature fixes one at some future session. We only have a few elk in the state and an open season would kill practically all of these off," says Mr. Shoemaker.
