EASIER NOW THAN LATER.
It is easier to break up a cold or

later. Persistent coughs that "hang

YES, I EXAMINE EYES EVENINGS

I am often asked if eyes
can be satisfactorily exam-
ined at night. My answer
is YES.

For the benefit of those
who cannot come during the
day, I am obliged to work
evenings by appointment.
Come during the day if you
possibly can; at night if you
must, and you will receive
a thorough, careful exami-
nation, and glasses that will
satisfy you in every way.
