

Comfortable warmth

A good oil heater filled with Pearl Oil gives real comfort without dust and dirt. Steady, comfortable heat for many hours on one filling with Pearl Oil, the ever-obtainable fuel. Oil consumed only when heat is required—no waste. Portable. Economical.

Pearl Oil is refined and re-refined by our special process which makes it clean burning.

For sale in bulk by dealers everywhere,—the same high-quality kerosene as the Pearl Oil sold in five-gallon cans. There is a saving by buying in bulk. Order by name—Pearl Oil.

Eleven parcels of land, the property of various members of the Indian colony on the Umatilla reservation near Pendleton, will be offered for sale to the highest bidder on November 28.

Issuance of \$900,000 in bonds to finance irrigation of 28,000 acres of the Langell valley 30 miles east of Klamath Falls was approved at a special election of taxpayers of the district.

To study methods of logging used in the central Oregon white pine belt, nearly 150 members of the Pacific Logging congress which held its tenth annual session in Portland, visited Bend.

Hundreds of census enumerators are wanted and the supervisors of Oregon are wondering if they will secure enough to make the canvass. Oregon will require about 950 enumerators.

Enough money was taken in at the state fair at Salem over and above expenses to pay off the entire debt contracted for the construction of the stadium there and to leave over \$10,000 surplus.

Mothers and fathers of Oregon boys with the American expeditionary forces in Siberia may expect their sons home in a short time, the war department has advised Ben S. Fisher of Marshfield.

Clatsop post, American legion, is making good progress in its campaign to induce Astoria business men to withdraw their patronage from the Toveri, the Finnish daily, accused of disloyal utterances.

A nurse whose duty it will be to visit the homes of children who are absent on account of illness and to supervise health in general in the schools of Eugene is to be employed by the board of education.

Paid-up members of the American Legion in the state of Oregon number 9002, according to the report which Prescott W. Cookingham, state treasurer, was authorized to forward to national headquarters of the Legion.

After they had been made by 10 ex-service men to kiss the American flag, the eight I. W. W. members who were held in the Baker county jail pending action by the authorities, left Baker quietly upon being requested to do so by the police.

Following a reorganization of the board of directors of the Central Oregon irrigation district, George Moore becomes president of the district, and an order has been issued for a bond election on November 25 to vote on bonds amounting to \$240,000.

That the present basic price for wheat is fully justified by the condition of the world market and the dearth of world production was the declaration in Portland of Julius H. Barnes, federal grain director, in an address before the chamber of commerce.

A kissless winter! This is the edict of the Portland municipal bureau of health. "Ding bust it," commented Health Officer Parrish, with professional dignity. "I know this is going to make me one of the most unpopular parties in the little old state, but it can't be helped. Influenza is responsible."

The resignation of W. L. Thompson as a member of the state highway commission became effective October 15, Mr. Thompson having made this request in a letter to Governor Olcott. J. N. Burgess, of Pendleton, began his duties as Mr. Thompson's successor on that date.

Since the organization of a state highway department in 1914 there has been expended and contracted for up to date the sum of \$21,071,666.97 of state and federal funds. To this is to be added approximately \$2,000,000 of county funds expended under the superintendence of the state highway department.

New rules of the Industrial Welfare commission governing the employment of women in industry became effective Tuesday. Most important of these is the 48-hour week, which will supersede the present week of 54 hours. The wage minimum for experienced adult women has been placed at 27 1/2 cents an hour, or \$13.20 a week.

Bank deposits of Oregon on September 12, 1919, showed an increase of \$52,186,616.26 since the call of June 30, 1919, and of \$91,514,905.83 since the report of August 31, 1918, according to a statement issued by Will H. Bennett, state superintendent of banks. The total deposits are \$288,441,523.93. The increase is general over the state.

Ten years in the state penitentiary for stealing an automobile was the sentence handed out to Walter Willis by Judge Gatens of Portland, and the same judge sentenced Joe Gonia to five years in the same institution for the same offense. Judge Gatens has publicly announced that no mercy may be expected by automobile thieves in his court.

After a heated contest in which the relative merits of La Grande and Pendleton were at issue, delegates from La Grande at the state federation of labor convention in Bend won the selection as the 1920 convention city. The convention delegates voiced their disapproval by a vote of 61 to 27 of a resolution to petition President Wilson for the immediate release of all individuals imprisoned under the espionage act.

About Glasses

—A hurried or incomplete examination of your eyes, and glasses which cost too little to give the efficiency you must have, are dangerously expensive in the end.

—My glasses are sold as cheaply as the same quality of mounting and lenses are sold elsewhere, but I honestly believe that the painstaking service that goes with them makes them worth more.

a 25c ad.

A classified ad. in The Sentinel will be read by 5,000 people the day of publication. If you have something to sell or wish to buy something, what better or cheaper method of making your wants known could you find?

We Vouch for Them

Of all the tires that are made,—why do you suppose we prefer to sell United States Tires?

Because they are made by the biggest rubber company in the world. And they know how to build good tires.

They have choice of materials,—they have immense

facilities,—they employ many exclusive methods.

They can go to greater lengths in testing, improving and perfecting the things that make good tires.

We find it good business to sell United States Tires.

And—you will find it good business to buy them. They are here—a tire for every need.

United States Tires are Good Tires

We know United States Tires are good tires. That's why we sell them.
