

**THE MIRACLE MAN  
HAILED AS PICTURE  
OF UNUSUAL MERIT**

George Loane Tucker Production Has Most Powerful Heart Appeal.

Hailed by critics as one of the greatest motion pictures ever produced, the Paramount-Artcraft feature, produced by George Loane Tucker, "The Miracle Man," will be played at the Arcade theater on Thursday and Friday, December 18 and 19. It is the screen version of George M. Cohan's play that scored so emphatically on Broadway some years ago, and which in turn was based on Frank L. Packard's famous novel. No picture in recent months has had so much praise lavished upon it for the dramatic quality of its story, its keen characterization and its beautiful photography.

The story of "The Miracle Man" centers around an old patriarch of the hills who has gained a reputation for his power to heal the sick and crippled. To him come a band of unscrupulous crooks from the slums of New York—Tom Burke, their leader; Rose, The Frog, and the Dope—who have conceived the scheme of capitalizing the healer's gift and taking the money for themselves.

What follows is one of the most absorbing stories ever unfolded on the screen. In the hands of such talented players as Thomas Meighan, Elinor Fair, Betty Compson, Lon Chaney and W. Lawson Butts, the development of the chief characters under the influence of the deaf and blind patriarch is portrayed with admirable skill. d12c
