

## Program at Arcade Theater

FRIDAY, JAN. 9—All who wish to see MRS. CHARLIE CHAPLIN in "BORROWED CLOTHES" should come out this night. In this picture this dainty star offers some of her most distinctive work.

SATURDAY, JAN. 10—CECIL B. DE MILLE in "THE SQUAW MAN." This is a drama without frills but intensely appealing. It has all the elements of human interest.

For the benefit of our many country patrons we will give a matinee every Saturday at 2:30 o'clock p. m. 10c and 25c.

SUNDAY, JAN. 11—You can see BRYANT WASHBURN in "THE WAY OF A MAN WITH A MAID." Why did the man bring a cat along? No, it is not a joke! Honestly, you never could guess the reason.

On this date we will also have THE GOLFORS JUVENILE CONCERT COMPANY, of Denver, Colo., an organization of children from 9 to 15 years of age, all of one family, playing operas, classics and jazz and singing the latest popular songs. Matinee and Evening, 15c and 35c; reserved seats 50c.

MONDAY, JAN. 12—Will be the 17th episode of "THE RED GLOVE." There is only one more episode of this great serial. You should not miss a single chapter. There is a great surprise in store for all who follow this picture to the last.

TUESDAY, JAN. 13—A combined show: CRANE WILBUR in "DEVIL McCARE." This is a western picture with plenty of action and THE FAMOUS BURNS BROTHERS' NASHVILLE STUDENTS—ten people with a jazz orchestra, Golden West Quartet. Matinee and evening, 25c and 35c; reserved seats 50c.

WEDNESDAY, JAN. 14—THE EUTERPEAN CLUB in "ZUNI LAND," a wonderful presentation of Indian music, under the direction of Miss Esther Silsby. See program elsewhere in this paper. This club's annual musical production is the event of the season in Cottage Grove musical circles. Don't miss it. Matinee at 2:15 for school children and out-of-town adults only; admission 20c and 35c. Evening at 8:15, admission 35c; reserved seats, on sale at The Elite, 50c.

THURSDAY, JAN. 15—HELEN EDDY and BEN ALEXANDER in King Vidor's picture, "THE TURN IN THE ROAD." Are you selfish, or do you attempt to help others? Have you found happiness, or are you wearing yourself out looking for it? Do you love children? See "The Turn of the Road" and realize what you may be missing.

FRIDAY, PRISCILLA DEAN in "THE WICKED DARNING." Folks, here is a real photoplay treat. You will grip your seats and hold your breath.

## West Side Garage

Beginning January 1, 1920, I have taken over the Buick, Dodge and Chevrolet agencies, also all second-hand cars and all parts pertaining to these cars. You will find me at Woodson Brothers' garage until their new building is complete, after which I will be located at what is now the Cottage Grove garage on the west side of the river.

I have on hand at present three bargains:

- One 1917 Chevrolet, newly painted and overhauled at.....\$450
- One 1918 Chevrolet at.....\$550
- One 1918 Chevrolet at.....\$600

# Ford

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3 1/4-inch tires front and rear, for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows make it an open car in pleasant weather, while in rainy and inclement weather it becomes a closed car, dust-proof and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

### Society

The Woodmen of the World and their families will hold a social session tonight.

Little Miss Alice Johnson entertained a number of her playmates yesterday afternoon with a delightful birthday party at the home of her parents, Mr. and Mrs. W. Frasier Johnson. Games and music were enjoyed, and dainty refreshments, including the birthday cake with five candles, were served at a table attractively appointed with "real grown-up" favors and place-cards.

The missionary society of the Presbyterian church held an enjoyable session Wednesday with Mrs. Charles Adams. "Corea" was the subject of discussion.

The ladies' aid of the Presbyterian church will meet next Wednesday with Mrs. O. O. Veatch.

The Constellation club met yesterday afternoon in the banquet room of the Masonic temple. Mrs. H. P. Wynne and Mrs. Joe Porter were the hostesses but on account of the illness of Mrs. Wynne Mrs. K. K. Mills took her place. A pleasant social afternoon was followed by refreshments.

The La Comus club meets next Tuesday with Mrs. C. H. Vandenburg.

Mr. and Mrs. I. A. Randall gave a reception Friday evening for Mr. and Mrs. V. T. Randall, newlyweds. There were about forty present and the evening was spent with games and in a social way. The occasion was also a silver wedding anniversary of the senior Randalls and they received numerous silver presents. Bounteous refreshments were served.

Mr. and Mrs. N. W. White and Miss Inez visited in Eugene Tuesday.

**Famous Juveniles to Play Here.**  
Mr. White, manager of the Arcade, has made arrangements for the Golfors Juvenile Concert company, of Denver, to play here Sunday. This organization is composed of children from 9 to 15 years of age, all of one family, phenomenally talented, singing and playing operas, classics and popular music. They are making a tour of the west, having played at the auditorium at Portland, making a great hit. They are accompanied on this tour by their father and a private tutor who puts them through their studies the same as if they were in school and directs them in their music. We are fortunate in having an opportunity of hearing these talented children.

**Eighth Grade Examinations.**  
Uniform state examinations for the eighth grade will be given in school districts where pupils have complied with the conditions and teachers have certified thereto and applied for questions, on Thursday and Friday, January 15 and 16, 1920. The teacher can give this examination under direction of the superintendent.  
E. J. MOORE,  
County School Superintendent.

**NOTICE.**

### Told in Cottage Grove

A Resident Known to All Our Readers Relates an Experience.

Readers of The Sentinel have been told again and again of the merits of that reliable, time-proved kidney remedy—Doan's Kidney Pills. The experiences told are not those of unknown persons, living far away. The cases are Cottage Grove cases, told by Cottage Grove people.

A. Rogers, retired farmer, 407 North G Street, Cottage Grove, says: "I have taken Doan's Kidney Pills off and on for several years and they have always done me good. I have been subject to attacks of kidney trouble which have made it hard for me to control passages of the kidney secretions. I have found that after I have taken a box of Doan's Kidney Pills my kidneys have become normal."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Rogers uses. Foster-Milburn Co., Mfrs., Buffalo, N. Y. j9-16

### Run Down?

Kidney and bladder troubles are not limited to men. Housework, or work in office or factory, causes women to suffer from weak, overworked or diseased kidneys. The symptoms are: puffiness under the eyes, sallow skin, constant tired feeling, lack of ambition, nervous condition, backache, rheumatic pains, sore muscles, stiff joints.

### Foley Kidney Pills

get right at the cause of suffering and misery, regulate the kidneys and bladder and restore the diseased organs to sound and healthy condition.

Mrs. Wm. Fischer, 2009 Woodbourne Ave., Louisville, Ky., writes: "I am just getting along fine. I am taking Foley Kidney Pills every other night. You should have seen me before I started. I was yellow as gold, now my eyes and skin are all cleared up. My kidneys do not bother me at night any more. If it will help some other poor soul who is suffering you may use my name wherever your medicine is advertised."

### Fine Dentistry With Few Visits

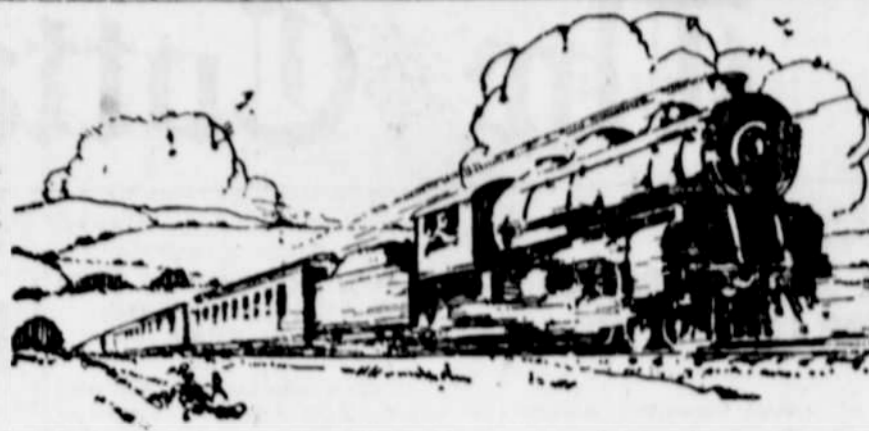

Registered Dentists using the E. R. Parker System make a specialty of promptly caring for out-of-town patients.

Most people can not afford to waste unnecessary time in a dentist's office, and E. R. Parker System dentists believe in giving such patients all possible attention and work on each visit, so they will not have to come in so often.

This work is all done so well it is fully guaranteed. You are sure of good dentistry and complete satisfaction. Best of all, you need not fear pain, for every safe method of overcoming pain is used. Prices are moderate and examinations and advice are free.

There are twenty-four offices in different cities where the E. R. Parker System is used, the nearest one being at

7th Ave. and Willamette St., Eugene, Oregon

Out of accumulated capital have arisen all the successes of industry and applied science, all the comforts and amenities of the common lot. Upon it the world must depend for the process of reconstruction in which all have to share.

## The Successful Farmer Raises Bigger Crops

and cuts down costs by investment in labor-saving machinery.

Good prices for the farmers' crops encourage new investment, more production and greater prosperity.

But the success of agriculture depends on the growth of railroads—the modern beasts of burden that haul the crops to the world's markets.

The railroads—like the farms—increase their output and cut down unit costs by the constant investment of new capital.

With fair prices for the work they do, the railroads are able to attract new capital for expanding their facilities.

Rates high enough to yield a fair return will insure railroad growth, and prevent costly traffic congestion, which invariably results in poorer service at higher cost.

National wealth can increase only as our railroads grow.

Poor railroad service is dear at any price. No growing country can long pay the price of inadequate transportation facilities.
