FRIDAY, JAN. 23—MABEL NORMAND in "MICKEY." Your last chance to see this wonderful picture. Get your seat reserved for you at The Elite. Prices, 50c; general admission, 40c, children 15c.

SATURDAY, JAN. 24—WILLIAM FAVERSHAM in "THE SILVER KING." The famous American actor, William Faversham, in the well-known English melodrama, "The Silver King." Prices 10c and 25c.

SUNDAY, JAN. 25—CHAS. RAY in "STRING BEANS." Chas. Ray as Toby Watkins wanted to be a poet more than a farmer, so he broke into journalism; but the subscription department got hold of him first and he came mighty near getting two subscribers in one day's work. It's Chas. Ray at his best.

MONDAY, JAN. 26—BEN WILSON and NEVA GERBER in "THE TRAIL OF THE OCTOPUS." "The Purple Dagger" is the title of the second episode of this fascinating story. Ruth becomes the owner of another dagger. You must see what happens. Also MARGUERITE MARSH in "THE PHANTOM HONEYMOON." This is strictly a ghost story. Do you believe in them? Whether you do or not you will be interested in this weird romance of life after death—a most unusual story.

TUESDAY, JAN. 27—HAZEL DALY in "A WILD GOOSE CHASE." The plot deals with a society girl who goes to search for her lover, long reported lost in an Arctic expedition. Matt Moore plays the part of the explorer. Helen Daly played the female lead with Bryant Washburn in "Skinner's Dress Suit."

WEDNESDAY, JAN. 28—DUSTIN FARNUM in "A MAN IN THE OPEN." This story is from the famous novel by the same name. It contains many beautiful outdoor scenes. Farnum's acting is perfect. This picture pleases wherever shown.

THURSDAY, JAN. 29—WILLIAM DESMOND in "THE MINTS OF HELL." A drama of the frozen Yukon country in the days of the gold rush. It pictures the wild scramble men made for wealth, and is built around the romance of a tenderfoot prospector and a daughter of the north.

### Society

Miss Ethel Fletcher, vice president of the Rebekah assembly, visited the local lodge Friday night. Initiatory work was put on, which was followed by a banquet at which 70 were present.

Mrs. Karl K. Mills entertained the past matrons of Cottage Grove chapter, No. 4, O. E. S., at her home Wednesday afternoon. Social chat and needlework were enjoyed and a Past Matrons club was organized with Mrs. Herbert Eakin as president, Mrs. Jas. P. Graham as vice president, and Mrs. Henry Veatch as secretary-treasurer. The hostess served a dainty two-course luncheon, and a basket of pink carnations formed the centerpiece of the prettily appointed dining table, the Eastern Star place cards being hand-painted. Past matrons present besides the hostess were Mrs. Herbert Eakin, Mrs. Jas. P. Graham, Mrs. Henry Veatch, Mrs. H. A. Miller, Mrs. Andrew Brand, Mrs. Van Allison and Mrs. T. C. Wheeler, and present worthy Matron Mrs. O. L. Nichols. The first regular meeting of the club will be held at the home of Mrs. Nichols Tuesday evening, February 10, with the past patrons as guests of the club.

Mrs. Karl K. Mills will entertain the Sunday school of the Baptist church Saturday afternoon at the church. Mrs. Mills has recently been elected superintendent, and many plans are being made for the growth of the school.

The M. P. G. club gave a "District School" party at the home of Mr. and Mrs. Charles Adams Friday evening of last week. It was a visit of the directors, Lucile Hood and Karl Mills, and School Clerk Leon DesLarzes, to the school, and the teacher, Ethel Eakin, had planned the following program for the board's entertainment: Song, "America," school; recitation,

Ruby Champagne; piano solo, Emma Job; vocal solo, "In My Merry Oldsmobile," Blanche Veatch; recitation, Little Harry Titus; Drill, four pupils, Grace Wilcox, Mabel Veatch, Roy Short, Joey Smith; vocal duet, "Mary and John," Jean Allen and Albert Hewell; arithmetic quiz, Charley Adams, Roy Smith and Armand Wynne; dialogue, "The Train Leaves in Ten Minutes," Frank (Claudy Cruson), his wife (Libbie Howe) and Betty, (Mabel Smith). Remarks were given by the directors and clerk, and during recess lunch from tin buckets was enjoyed.

Members of the Constellation club and their families enjoyed a covered dish supper in the banquet room of Masonic temple last night. There were about 50 present. The only difference between a covered dish supper and any other kind of a supper is that you don't know beforehand whether you are going to find anything you want, and after the meal is over you don't know whether or not you will want to eat again.

### BIG EUROPEAN LOAN ASKED

Relief Held Necessary to Prevent "General Disintegration."  
Washington.—Loans aggregating \$150,000,000 for food relief in Austria, Poland and other European countries and Armenia, to prevent "a general disintegration of political cohesion in western Europe," were proposed to congress by Secretary Glass, who said it might be necessary to increase this amount to \$200,000,000 when the full situation in Europe had been assessed. The secretary reviewed at length the condition in the suffering countries, particularly Austria and Poland, and said Great Britain, France and Italy were assisting in relieving distress in Austria, through a \$48,000,000 loan, and that England would continue to lend aid by furnishing ships for transporting American food and such supplies as possible from the United Kingdom.

Under the treasury department plans the loans would be advanced by the grain corporation out of the billion-dollar wheat guaranty fund and would be used to establish credits in this country on the basis of \$70,000,000 for Austria, \$50,000,000 for Poland, \$25,000,000 for other European countries and \$1,000,000 for Armenia.

Wilson Issues Call For League Council  
Washington.—President Wilson Monday issued the call for the first meeting of the council of the league of nations to be held at Paris Friday. The call was issued in accordance with the terms of the Versailles treaty by President Wilson, whom the treaty makers designated for that duty.

## ANTI-BRITISH ORDER DENIED BY DANIELS

Naval Secretary Did Not Tell Admiral to Watch British.

Washington.—Secretary Daniels, in a letter forwarded to Chairman Page of the senate naval affairs committee, declared that it was not he who had told Rear-Admiral William S. Sims before the admiral's departure in March, 1917, for London "Not to let the British pull the wool over your eyes," and that the United States "would as soon fight the British as the Germans."

Testifying before a senate naval subcommittee investigating naval awards, Admiral Sims said that such admonition had been given him "by a high official" and quoted from a letter recently written to Mr. Daniels entitled "certain naval lessons of the great war" which arraigned many aspects of the navy department's conduct of the war.

Secretary Daniels in his letter to Senator Page said that Admiral Sims' letter had been referred to the general board of the navy for action.

Charges of Rear-Admiral Sims that the navy department failed to co-operate with the allies during the war will be investigated by the senate subcommittee before which they were made.

This was decided by the full naval committee, which also authorized appointment of another subcommittee to determine if there should be an inquiry into charges by J. R. Rathom, editor of the Providence (R. I.) Journal that with the knowledge of Secretary Daniels "many seamen have been used for most vile and nameless practices to entrap innocent men."

## USE OLD DOCUMENTS TO FIGHT RADICALS

Washington.—Recent activities of radical propagandists led Secretary Lansing last week to display for the first time in 18 years the original parchments of the Declaration of Independence and the Constitution of the United States.

In the presence of a group of officials the parchments were removed from the protecting walls of a steel safe inclosing them and placed on view in the state department for an hour, while motion picture cameras recorded their appearance for the benefit of the 110,000,000 persons living under the principles enunciated by them. Owing to their age, exhibition of the parchments is a rare event. Exposure to light even though each sheet is protected carefully from air by hermetically sealed glass plates, caused additional fading of the ink inscribing the immortal words which brought the republic into being.

## OPPOSE ANTI-SEDITION BILLS

Gompers Announces American Federation of Labor will Fight.

Washington.—Formal announcement that the American Federation of Labor would oppose "with whatever power it may possess" the enactment of the anti-sedition bills now pending in congress, was made in a statement by Samuel Gompers.

The attack of organized labor, its chieftain indicated, will be directed impartially against the Sterling bill, recently passed by the senate and against the Graham measure, based on suggestions of Attorney-General Palmer and awaiting action by the house rules committee for a special rule to expedite consideration. Referring to the two measures as one bill, President Gompers declared its enactment "would violate the constitution and rob the whole American people of their most cherished and basic guarantees of free government."

## TO VETO STRAIGHT TICKET

Governor Olcott Indicates His Disapproval of Recent Act.

Salem, Or.—The so-called "straight party" ticket bill which was passed in the closing hours of the special legislative session will be vetoed, according to an announcement made by Governor Olcott.

The bill provides a form of ballot enabling the voter to approve an entire party ticket by a single mark of the pencil. There is a provision in the bill, however, which allows the voter to scratch a ticket if he so desires.

## Influenza Sweeps Chicago.

Chicago.—Influenza continues to sweep through Chicago at the rate of 1100 new cases every twenty-four hours. During forty-eight hours 2279 new cases were reported and the deaths numbered twenty-six. There were 382 new cases of pneumonia and sixty-six deaths.
