## "STERLING" COMPOUNDED FEEDS

It is an undisputed fact that honestly and accurately compounded feeds give better results than any straight grain feed. When we started in this business we were thoroughly convinced that the public care as much for quality as for price. Believing this, our motto has been "A Higher Feed Value for Less Money." And because we have constantly kept this in mind, "Sterling" Compounded Feeds are recognized as being all the same implies.

Our specialties are horse feed, hog feed, and dairy feed, for which we make the claim "There are none after." Call and see us, and by comparing our prices with those of other compounded feeds, you will find opportunities and bargains here that you can't find anywhere else.

# Old Age Postponed

The appearance of old age can be postponed by having your teeth properly looked after. Registered Dentists using the E. R. Parker System are especially capable of doing this by making fine crowns, bridges and artificial teeth.

Some men and women look ten years younger after these dentists have done the necessary work. So much depends upon making artificial teeth look natural that you should be glad to know where to go for the right kind of work.

Another thing about E. R. Parker System Dentists: They make a specialty of saving time for out-of-town patients, so these patients won't have to come in so often. You will be surprised to learn how reasonable the prices are, too, and also to find out that you need have no fear of pain.

There are 24 E. R. Parker System offices, the nearest being at 7th Ave. and Willamette St., Eugene, Oregon

# Keep the Kidneys Well

Health Is Worth Saving, and Some Cottage Grove People Know How to Save It.

Many Cottage Grove people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. Here is a Cottage Grove citizen's recommendation:  
D. C. Hubbard, retired farmer, 640 Sixth street, Cottage Grove, says: "I have used Doan's Kidney Pills off and on for the past ten years. When ever I have noticed that my kidneys were not acting properly, I have used Doan's Kidney Pills and they have soon put them in good working order. It is Doan's Kidney Pills that are responsible for my present good health."

# RAY IS NOT CANDIDATE BUT MANY OTHERS ARE

District Attorney Ray says that the job does not pay a salary high enough to warrant his again becoming a candidate for the position and he will return to private practice at the end of his term.

J. C. Johnston, of Junction City, well and favorably known here, has announced his candidacy for the republican nomination for this office.

All except two of the present county officers have expressed their intention of seeking reelection this year. Fred G. Stieckel, the first republican sheriff Lane county has had for many years, will run again, as will R. S. Bryson, county clerk, P. M. Morse, county surveyor, E. J. Moore, county superintendent of schools, H. E. Walker, county assessor, and W. W. Branstetter, county coroner. E. E. Spencer, county commissioner, whose term expires this year, is undecided about accepting a re-nomination, and Miss Edna Ward, county treasurer, said she had no statement yet to make.
