

Program at Arcade Theater

FRIDAY, FEB. 6—WILLIAM DESMOND IN "SIX FEET FOUR." A program that you will be sorry you missed. Prices, 15c and 25c; 40c for reserved seats.

SUNDAY, FEB. 8—VIVIAN MARTIN in "JANE GOES A-WOOLING." If you were a stenographer and had twin baby sisters to care for, and a rich man should leave you his fortune, would you destroy the will? Most people wouldn't—but Jane Neill would not like most people.

MONDAY, FEB. 9—"THE TRAIL OF THE OCTOPUS" is gaining in interest every night it is shown. It is not too late to get interested. You will like it. Also a five-part drama entitled "WIT WINS." A big show for 10c and 20c.

WEDNESDAY, FEB. 11—Watch the lobby for the picture on this date.

THURSDAY and FRIDAY, FEB. 12 and 13—"ROMANY," with an all star cast, in which love runs wild. This is the greatest gypsy picture ever made. It is different in type, setting and story—it is full of thrills and punches. Be sure to see "Romany," either Thursday or Friday nights. Admission, 15c and 25c; 40c to have your seat reserved.

What About the Gypsies

Gypsies originally came from India. They began their wanderings in 420 A. D. Ten thousand of them proceeded to Persia. They are now scattered throughout the entire world. Of tribes

brings to mind the fact that they are best known as fortune tellers, and, strange as it may seem, they have absolutely no faith in their ability to prophesy what the future has in store for those who cross their palms with silver.

See "Romany," where love runs wild, the great Gypsy picture, at the Arcade theater, Thursday and Friday, February 12 and 13. f6c

they number many hundreds and all of them have a common language which they call Romany. They belong to the Aryan race and many of their words are absolutely pure Aryan, which shows that they have antiquity. In the eleventh century they reached such power as to attain important victories over the caliphs. They were broken and dispersed by Mahamoud and many thousands of them wandered to the west. Gypsies first came to America in the beginning of the nineteenth century, although several had made their appearance in this country before the Revolutionary war. A pure-blooded Gypsy retains his black hair to a very old age.

C. M. Parker observed his fifty-sixth birthday anniversary Wednesday and in the evening a number of friends dropped in for a little surprise party. The evening was pleasantly spent in games and other amusements, after which refreshments were served. Mr. Parker said the present he appreciated most was a subscription to the Live Wire. Tales of the Town

H. K. Metcalf, chairman of Calvin T. Funk post, American Legion, is anxious that he be furnished at once with information as to those who died in the service during the world war, so that memorial certificates by the French government may be presented to their relatives on Washington's birthday. With the name of the soldier, sailor or marine should go the name of the nearest of kin, together with the probable place where such person can be reached on February 22.

ALL REGULATIONS ARE DISOBEYED; CAR IS HIT

A case of almost criminal carelessness is reported to have happened last evening at the corner of Main avenue and Sixth street, a corner where the utmost precaution should be taken. Frank Jones in his Overland was approaching the corner from the west on Main when a Ford shot out from Sixth street going north. Jones slipped on all his brakes but not in time to prevent scraping the Ford, whose driver did not even so much as slacken his speed or say excuse me. It is not known who was driving the Ford, which, according to those who saw the accident, violated all the rules of traffic for approaching a corner. Jones had signalled that he was approaching.
