### "STERLING" COMPOUNDED FEEDS

It is an undoubted fact that honestly and accurately compounded feeds give better results than any straight grain feed. When we started in this business we were thoroughly convinced that the public cares as much for quality as for price. Believing this, our motto has been "A Higher Feed Value for Less Money." And because we have constantly kept this in mind, "Sterling" Compounded Feeds are recognized as being all the name implies.

Our specialties are horse feed, hog feed, and dairy feed, for which we make the claim "There are none better." Call and see us, and by comparing our prices with those of other compounded feeds, you will find opportunities and bargains here that you can't find anywhere else.

## Your Teeth and You

You needn't be afraid of pain if you have your teeth cared for by dentists using the E. R. Parker System.

You needn't lose much time, for under this System your work will be done with fewer visits, especial attention being given to out-of-town patients.

You needn't have doubts about being satisfied, for Parker System dentists are just as particular as you are.

You needn't worry about price, for it will be as low as good dentistry can possibly be done for.

But you ought to be afraid of one thing, and that is delay. The longer you neglect your teeth, the worse they get. Bad teeth never grow better unless good dentists help them.

Consultation and advice free. There are twenty-four E. R. Parker System offices, the nearest being at

7th Ave. and Willamette St., Eugene, Oregon

## Back Hurt?

When the kidneys do not properly do their work or purify the blood stream, waste products and poisonous acids remain in the system and cause backache, rheumatic pains, lumbago, sore muscles, swollen joints, stiffness, lame back and similar symptoms.

## Foley Kidney Pills

regulate and restore the healthy, normal action of kidneys and bladder, bringing clean blood and better health, with freedom from aches and pains.

J. George Hudgins, Bennington, Vt., writes: "Last fall I was attacked with lumbago and suffered untold agony. I had a severe pain across my back and at times could not dress or undress myself. I was advised to take Foley Kidney Pills for my trouble. After taking them for a few days the pain in my back left me and I have not had any lumbago since that time, although that was months ago. I recommend Foley Kidney Pills to all who have lumbago."

Salads should be served the day they are prepared. Always stir a salad with a wooden fork or spoon.

To tell good eggs put them in water. If the large end turns up they are not fresh.

Cold coffee is excellent for ferns of all kinds. Use about once a month.

Celery seed is an excellent substitute to flavor soup.

## OREGON NEWS NOTES OF GENERAL INTEREST

### Principal Events of the Week Briefly Sketched for Information of Our Readers.

More than \$250,000 of the \$550,000 road bond issue of Douglas county is expended.

The annual convention of the Christian and Missionary alliance will open at Hood River February 1.

There has been little improvement in the car shortage situation in Oregon during the past few weeks.

School teachers of Hood River have organized an association for the purpose of securing better salaries.

The validity of the state dog license law has been sustained by Circuit Judge McCourt of Multnomah county.

The Marshfield Chamber of Commerce is uncovering a lot of names that were not found by the census enumerators.

The state lime board has confirmed the order closing operations at the state lime quarry at Gold Hill until spring.

County officials estimate that there are 1600 dogs in Jackson county. So far only 800 owners have taken out a state license.

Trappers are doing unusually well in Klamath county this season. It is probable that the season's catch will run to \$15,000.

The sixth annual Marion County Corn show was held at Salem, with exhibits on hand from many sections of the Willamette valley.

The Oregon State Association of National Farm Loan organizations held its second annual meeting at Salem, Tuesday and Wednesday.

The California-Oregon Power company is removing its poles and lines at Ashland. Its business has been absorbed by the municipal system.

The schools of Mapleton, Swishome and Westlake, all in the extreme western end of Lane county, are closed on account of smallpox in the districts.

The constitutionality of the fish and game legislation, creating a fish and game commission of nine members will be tested by the Multnomah Anglers club.

Mrs. B. A. Lemon, a pioneer of Benton county, is dead. She crossed the plains from Missouri in 1852, settling near Monroe, where she has since resided.

A hog show and sale will be held at Salem February 4, when 43 head of brood sows and gilts, from the champion producing breeders of the West, will be sold.

It is estimated that damage done to Umatilla county roads by recent floods and washouts will amount to \$25,000. Permanent repairs will not be made until spring.

Newton A. Blaggett, resident of Oregon for the past 60 years, died at his home in Albany, aged 84 years. He had resided in the Willamette valley for the past 40 years.

Fred J. Holmes, aged 62 years, president of the La Grande National bank and one of Union county's foremost citizens, died at his home in La Grande from heart trouble.

Because of complaints that census enumerators had failed to list a good many individuals, the city council of Roseburg is taking steps to have a more complete count.

Dr. Francis A. Bailey, pioneer physician of Washington county and widely known throughout the state, died at Hillsboro at the age of 81, following an attack of pneumonia.

As a result of numerous complaints of people missed in the census, the Eugene Chamber of Commerce has asked for blanks so that those who have been missed may be counted.

Reports from Drew in Douglas county, a few miles above Tillam, indicate that a rich gold strike has been made. The ledge uncovered is said to assay more than \$500 to the ton.

That the damage to Marion county fruit growers will be light is indicated in a report made by Professor Brown of the O. A. C., who has just completed an inspection of the orchards.

Admissions by a man charged with murder in the presence of a sheriff, if made voluntarily, are admissible at the trial of the defendant, according to an opinion of Attorney General Brown.

After several weeks of preparation the Willamette University Glee club will make its first long tour through Eastern Oregon and Washington during the two weeks beginning January 29.

J. D. Mickle, state dairy and food commissioner, announced at the annual convention of the state dairymen at Eugene that he will retire from office at the expiration of his present term.

The work of the woman forest fire lookouts in the Cascade forest last summer was so successful that N. F. Macdoff, supervisor of the forest, has declared that he wants a large number for next summer's work. He says they will be employed this year in greater numbers than ever.

More than 14,100 weights were inspected by the deputy state sealer of weights and measures during the year 1919, according to the annual report of W. A. Danziel, in charge of the department.

The combined convention of the Pacific Milk Dealers' association and the Pacific Northwest Association of Milk and Dairy Inspectors will be held February 3, 4 and 5 in Portland.

Construction work at the steam power plant of the Bend Water & Light company is progressing rapidly and the plant may be ready for power production by March 31. The cost of the plant will be in excess of \$100,000.

An application has been filed with the state engineer by H. B. Hendricks and W. H. Woodbury of Waldo for an appropriation of water from the west branch of the Illinois river for the irrigation of a small tract in Josephine county.

The Hood River Anti-Asiatic association has telegraphed Senator Chamberlain and McNary to support the Phelan resolution calling for a constitutional amendment denying citizenship to all Japanese born in the United States or its dependencies.

State and federal funds spent on the highways of Oregon during the years 1914 to 1918, inclusive, and to be expended in completing contracts for the years 1919 and 1920, total \$21,379,534.85, according to a report prepared by the state highway commission.

Demurrage regulations put into effect by the Oregon public service commission some time ago have been temporarily suspended because of their conflict with the demurrage restrictions made operative by an order of the federal railroad administration officials.

Charles Burden and Frank Davis of Salem, state agents empowered by Governor Olcott to enforce the prohibition law, were arrested at Lakewick on a warrant sworn to by City Marshal Dan Gosli, charged with having in their possession a quantity of intoxicating liquor.

Shriners attending the national convention of their order at Portland next June are warned not to expect any lower rate than the regular summer excursion fares to the Pacific coast, Edward Chambers, traffic director of the railroad administration, advised Senator McNary.

Winter damage to fruit trees ranged all the way from slight damage to winter kill. This is shown by an extended survey by the Oregon Agricultural college experiment station division of horticulture. The injury was much heavier in some sections of the state than in others.

The Dallas Commercial club has at last secured the location of a cannery at Dallas. Many acres of berries of all kinds will be set out in the vicinity and a campaign will be carried on by the club to interest farmers and fruit growers in cultivating crops that can be handled by the cannery.

Deputy state fire marshals have made a survey at The Dalles. They will also survey Hood River. During the past few months fire surveys have been made of 50 towns and cities in the state and in most instances new fire equipment has been purchased and many hazards removed.

There were three fatalities in Oregon due to accidents during the week ending January 23, according to a report prepared by the state industrial accident commission. The victims were William C. Billings of Bend, James A. Colestock of Salem and George F. Dices of Eugene.

Frank F. Lischke of Milwaukie has filed application with the state engineer to appropriate 3700 second feet of water from the Deschutes river for power development in a series of power plants at the Metolius, Frieda, Coleman, Mecca, White Horse Rapids and Pelton power sites in Sherman, Wasco and Jefferson counties.

Two drainage demonstrations were conducted in Linn county under the direction of the Linn county farm bureau and the extension service of the Oregon Agricultural college. One was held at the farm of L. Cade, 3 1/2 miles southeast of Albany, and the other at the farm of J. Percy Stearns, just west of Lebanon. W. Powers, drainage expert of the Oregon Agricultural college, conducted the demonstrations.

A summary of the results of the recent special session of the state legislature shows that eight resolutions and bills passed by both houses will be referred to the voters for ratification at the special election in May; that of the 97 bills passed during the session 56 were approved by the governor or filed with the secretary of state automatically to become laws, while 41 were vetoed and relegated to the legislative scrap pile.

Dr. R. E. Lee Steiner, warden of the state penitentiary since last May, has relinquished his duties at that institution and will be reinstated as superintendent of the Oregon state hospital. Governor Olcott stated that L. H. Compton, now state parole officer, will succeed Dr. Steiner as warden of the penitentiary on February 1, and Percy A. Varney, who recently resigned as chief of the Salem police department, will be appointed parole officer to succeed Mr. Compton.
