## TREATY AGAIN IS BEFORE SENATE

Peace Pact Brought up For Consideration Monday; Bitter Fight Forecast.

Washington.—The peace treaty was formally brought back into the open senate Monday, but as soon as parliamentary barriers to its consideration had been removed it was put aside again for a period of waiting, which the leaders said would last at least a week.

Suspending its rules by a bi-partisan majority of seven to one and virtually without debate, the senate reconsidered in short order the action by which ratification failed on November 19 and then, as a matter of formality, sent the treaty to the foreign relations committee with instructions to report it back at once with the reservations framed by the republicans at the last session.

Although prompt agreement is expected generally on many of the minor points at issue, a long and bitter contest is forecast over article 10 and perhaps a few other treaty provisions.

Besides the outstanding issues of the treaty fight the most prominent subject of discussion among senators was the letter of President Wilson laid before the democratic conference and made public by Senator Hitchcock. The president's renewed declaration of opposition to some of the language of the republican reservations were interpreted in different ways.

Although the president's letter was written before publication of the statement of Viscount Grey regarding reservations, in some quarters it was suggested that the letter would not have been permitted to become public if the British statesman's views had resulted in any change in the president's position.

## TROOPS REPULSE KENTUCKY MOB

Lexington, Ky.—Four persons were killed and fifteen were wounded here when a mob intent upon lynching William Lockett, a negro, who confessed to the murder of 10-year-old Geneva Hardman, charged the court house during Lockett's trial and was fired upon by police and state troops.

Two women were reported to be among those shot by the state troops. The clash with the soldiers held off the mob while the authorities managed to slip the negro away to a place of safety.

While the mob, the ring-leaders of which carried a rope, was attempting to get into the court house to get Lockett, a jury found him guilty of first degree murder and a minute or two later the negro was sentenced to die in the electric chair March 11. Lexington and all of Fayette county were placed under martial law by Brigadier-General F. C. Marshall upon his arrival from Camp Taylor with 300 troops of the first division.

## LANE TO RETIRE MARCH 1

Both President and Secretary Express Regret at Serving Relations. Washington.—President Wilson accepted, effective March 1, the resignation of Franklin K. Lane, for nearly seven years secretary of the interior.

Letters exchanged between the president and Secretary Lane, which were made public, indicate that good feeling marked the retirement. Both the president and Lane expressed regret. Lane resigned, it is understood because it was necessary for him to earn more money than a cabinet officer's salary.

## KOREANS ATTACK JAP POST

Movement Said to Be Initiation of a Big Rebellion.

Washington.—Official dispatches received here said a force of 2000 Koreans, armed principally with equipment furnished by the bolsheviks, crossed into northern Korea from Kirin, Manchuria, and attacked a Japanese post of 700 men at night, killed 200 of them and routed the remainder.

According to these dispatches the attack was the initiation of an active rebellion in Korea. It was described as the "beginning of a tremendous affair."

## U. S. Court Affirms Albers Sentence.

San Francisco.—The United States circuit court of appeals here affirmed a decision of the federal district court of Portland, Or., imposing a fine of \$10,000 and three years' imprisonment on Henry Albers, a Pacific coast miller, on charges of violating the federal espionage act.

## Lloyd George Less Harsh on Germans.

London.—Premier Lloyd George is reported to favor a substantial modification of the list of Germans whose surrender the allies demand, the Westminster Gazette says.
