THE CASE TRACTOR

We defy anyone to name a superior line of cars carried by any company anywhere. Nor a tractor that will surpass the Case in any kind of performance, that is more easily operated or that is more durable in any event, or that is cheaper in the long run.

We are willing at any and all times to go anywhere within Lane county to demonstrate any of our goods. Be sure and come to see us before buying that new auto or tractor.

Hitch a Fordson to Your Mortgage

The tractor is making the agricultural life the most pleasant of the professions. The Fordson is the most practical of the tractors for the farm of moderate size, such as those of the Cottage Grove country. Hitch it to your plows, to your seeders, to your cultivators, to the five-ton load you wish to bring to town, or to the mortgage that has been on your farm for years acting like a cold blanket upon your endeavors. It will move any of them and all you have to do is to operate the levers and steering gear. Steer yourself to prosperity and put sunshine in your face in place of wrinkles. The boys are glad to stay on the farm and do your work for you if they can do the work with a Fordson.

Don't Risk Neglect

Don't neglect a constant headache, sharp, darting pains or urinary disorders. The danger of dropsy or Bright's disease is too serious to ignore. Use Doan's Kidney Pills as have your friends and neighbors. Ask your neighbor.
H. N. Henriksen, Dorena, Ore., says: "I was flat on my back for about three weeks on account of intense pain across my kidneys. I think following the blacksmith trade for twenty-six years had a lot to do with bringing on the trouble in the first place. I knew my kidneys were out of whack and began using Doan's Kidney Pills. They fixed me up in good shape and I haven't been bothered for some time. I gladly recommend Doan's, for I know they are a fine kidney medicine."
Price, 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Henriksen had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. f20-27
