Big White Leghorns; big eggs; big chicks; big fryers; big hens. See J. P. Spray about eggs and chicks. f6tf

We Help Your Pillows Bring Slumber

We have special facilities for washing pillows. We bubble them up and down in pure water and foamy suds—water at just the temperature that experts have found to be right and soap of a kind that helps bring back to feathers all their first fluffiness. Then we dry them in a current of fresh, clean air heated to a temperature of 245 degrees.
