Feel Old?

Overwork, worry, anxiety or sorrow undermines strength and health. These causes contribute to kidney trouble, and weak or diseased kidneys make one feel old in middle age.

Foley Kidney Pills

help weak, overworked or diseased kidneys and bladder so that the system is free from waste and poisonous matter that causes one to feel old, tired, languid. They banish backache, rheumatic pains, sore muscles, stiff joints. Mrs. J. D. Miller, Syracuse, N. Y., writes: "For many years I suffered with kidney trouble and rheumatism. I had a severe backache and felt miserable and all played out. I got to a place where I had to do something. After taking two bottles of Foley Kidney Pills I can say my backache is gone, and where I used to wake up at night with rheumatic pains I can now sleep in comfort and enjoy a good night's rest."

WHY IT SUCCEEDS

Because It's for One Thing Only, and Cottage Grove People Appreciate This.

Nothing can be good for everything. Doing one thing well brings success. Doan's Kidney Pills are for one thing only.

For weak or disordered kidneys. Here is Cottage Grove evidence to prove their worth.

Mrs. J. J. Moore, Sixth St., Cottage Grove, says: "I am more or less subject to kidney trouble. My back gets very sore and lame at times and during this misery, my kidneys act irregularly. I feel tired-out and depressed generally. After I have taken Doan's Kidney Pills for a few days my back feels as strong as ever and my kidneys become normal."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Moore uses. Foster-Milburn Co., Mfrs., Buffalo, N. Y. mh19-26
