COMES THE PRICE of SHOES
IN THIS BIG PROFIT SHARING SALE

OVER 2000 pairs of high grade Dress and Work Shoes for men, women and children to be sold at about [in many instances less] today's wholesale cost. These shoes were bought last year at much less than manufacturer's price today. We've just received several hundred pairs from last year's orders. We have taken from our regular stock several hundred pairs more, making in all over two thousand pairs. We're going to double our shoe business by giving you the biggest sale of the season. An opportunity you cannot afford to overlook to buy enough shoes to last a year, at prices much less than you'll pay later.
