71 YEAR LEADERS

Guard Your Home with

FULLER PAINT

NEVER has there been a better reason for preserving your property than at the present time.

High costs of construction have greatly increased the value of homes and buildings, no matter how old they might be.

Paint—GOOD Paint, will do more to preserve and increase the value of your property than anything else you can possibly invest in. It is the greatest safeguard against the ravages of time and weather. It is the best kind of insurance.

Guard your home and buildings with

FULLER Paint

and other products. Back of them are 71 years of paint-making experience. Thousands of property owners have used these products for years.

MACK PERFORMANCE COUNTS
MACK TRUCKS CUT COSTS
It is the cost of operation on the ton-mile basis that determines if your truck is economical.
Compute the weight of the loads carried and the mileage covered by MACK trucks and you will soon see how they cut costs.
Then, too, there is the subject of mechanical upkeep. Mechanical dependability and operating efficiency of the highest order are in-built features of every MACK motor truck.
Parts used in the construction of MACK trucks are over-size. This provides the factor of safety, so essential, should an emergency arise.
This is something seldom found in other makes of motor trucks.
Capacities 1½ to 7½ tons.
