**FULLER PAINT**

**T**HE life, the value, the beauty of your home, depend on the care you give it. Weather-beaten and warped siding, cracks and open joints are forerunners of decay. Many property owners neglect to look for such signs, judging their houses and buildings by general appearances only. It is good business to make regular inspection of your property, and to use paint of good quality, which is the surest preventive of decay. Through the varying conditions of weather in all their extremes, FULLER Paint has proved both its preserving and beautifying qualities—a Pacific Coast Product for Pacific Coast requirements. 71 years of paint manufacturing experience are back of every brushful of FULLER Paint.

**Facts!**

You cannot deny them.

Motorists buy Zerolene because it is good lubricating oil; because it makes the car last longer.

More than half the motorists of the Pacific Coast states use Zerolene. Such approval is never an accident; it is given only as a reward to products of highest quality.

Use Zerolene for Correct Lubrication of your automobile, truck or tractor.
