If glasses will help your vision, you should know it without further delay. With our modern equipment and efficient methods we are enabled to determine with absolute accuracy the kind of glasses that will improve your seeing power.

If it is disclosed that you need two-range glasses, we would suggest KRYPTOKS, because the "reading" and "distance" parts are invisibly joined together, thus giving the eyesight an almost natural focus without being annoyed by seams or humps.

Shriners, Attention!

All roads lead to Ashland on Saturday, June 5, that being the date of the "homecoming" ceremonial to be staged in that city by Hillah Temple of the Mystic Shrine. Formal announcements have been mailed to all the membership and this notification is merely supplementary in a public way as a reminder. A visit to Ashland at this particular season of the year, especially in the way of a motor tour, will prove to be a most enjoyable outing. Delightful scenery right on the threshold of the Granite City town, and camping privileges unsurpassed. Hillah Temple Shrine clubs are planning to attend in a body and participate, over 50 being booked from the Klamath Falls organization. From Ashland the partying of the ways will lead to the Imperial Council's sessions at Portland later on, June 22-24. Hillah Temple has contributed \$500 to the entertainment fund of Al Kader Temple, Portland, and the representation from its organization will be large from various sections of the state. Deputy potentates for Hillah have been appointed for several counties, including George S. Calhoun, of Grants Pass, for Josephine; R. D. Williams, of Roseburg, for Douglas; Worth Harvey, of Cottage Grove, for Lane; Jackson F. Kimball, of Klamath Falls, for Klamath and Lake counties, who can supply petitions and afford general information relative to this approaching ceremonial.
