KERR & SILSBY

WHEN YOU CATCH YOURSELF PEERING OVER YOUR GLASSES to distinguish distant objects, it's time to get a pair that you can see through.

This is an instance where the wearer could use KRYP-FOKS with good results. They can be worn with perfect comfort all day long and will serve both your near and far sight requirements; yet there are no ugly dividing seams or shoulders.

Whether you need bifocals or any other kind of glasses, you will find it to your advantage, both in price and in the results obtained, to have us perform your work for you.
