A COTTAGE GROVE MAN'S EXPERIENCE

Can you doubt the evidence of this Cottage Grove citizen?

You can verify Cottage Grove endorsement.

Read this:

C. A. Lambert, 231 2nd St., Cottage Grove, says: "I don't know of anything better for kidney trouble than Doan's Kidney Pills. I have used them for years. My work is a strain on my back and I had attacks of lumbago. It hurt me to bend or stoop over and it was just as hard to straighten up again. My kidneys acted irregularly, also. I used Doan's Kidney Pills for these troubles and they were just what I needed for they made my back strong and well and put my kidneys in good order."

Nothing More Sanitary

than linoleum for your floors, whether they be in the kitchen, in the bathroom, in the office, in the business house, or elsewhere. Linoleum is much neater in appearance than plain wood and it is cheaper to wear out linoleum than flooring at present prices of lumber.

We have just stocked a complete line of the high grade DURALIN linoleum and have a dozen patterns to select from. This particular brand of linoleum is designed for maximum wear but beauty of design has been in no way sacrificed. Let us estimate for you the price of covering any of your floors and you will be surprised at the moderate cost of making your room both sanitary and attractive.

THE BUICK

It can truthfully be said that the cost of the Buick is the first cost only. From that time you have only to consider the natural expenses which can not be overcome regardless of how much is put into making the car as near repair proof as it is possible to make a car. Any owner of a Buick will tell you that. Besides, the price is a very reasonable one when you consider its roomy comfort and the satisfaction of knowing that no matter where you start for you will get there safe, sound and soon. You feel certain that you have reserve power for any emergency, that you never will have to worry about getting a thousand miles from nowhere with a breakdown, and that with all of this you have a classy appearing car, which is considerable satisfaction to any driver. We expect a car load of these cars within a few days. Better place a tentative order today.

"STERLING" COMPOUNDED FEEDS

It is an undisputed fact that honestly and accurately compounded feeds give better results than any straight grain feed. When we started in this business we were thoroughly convinced that the public cares as much for quality as for price. Believing this, our motto has been "A Higher Feed Value for Less Money." And because we have constantly kept this in mind, "Sterling" Compounded Feeds are recognized as being all the name implies.

Our specialties are horse feed, hog feed, and dairy feed, for which we make the claim "There are none better."
Call and see us, and by comparing our prices with those of other compounded feeds, you will find opportunities and bargains here that you can't find anywhere else.
