Read this:

C. A. Lambert, 231 2nd St., Cottage Grove, says: "I don't know of any thing better for kidney trouble than Doan's Kidney Pills. I have used them for years. My work is a strain on my back and I had attacks of lumbago. It hurt me to bend or stoop over and it was just as hard to straighten up again. My kidneys acted irregularly, also. I used Doan's Kidney Pills for these troubles and they were just what I needed for they made my back strong and well and put my kidneys in good order."
