

Boys' Clothes

The old swimmin' hole and fishin' pole, rough clothes and dirty nose, are only memories with the boy these days. It's back to school and study. Life is just one white collar after another for him. Despite it all, however, you can give him a good deal of consolation by buying him that much needed Fall Suit here. He'll feel proud of it and forget his woes.

Regardless of what his age may be, every red-blooded American youngster takes as much pride in his personal appearance as does the business man. To appear in the classroom clad in one of the nifty Norfolk or double-breasted suits we are now offering, is enough to make any lad draw the envy of his classmates.

Last year's suit, very likely threadbare and misshapen after the constant hard wear of a peppy youngster has done its service. Bring your boy to us now and let us outfit him from head to toe. Here are a few quotations that we are sure you'll like and on which you can make a considerable saving:

Suits in fancy blue, brown, gray cassimeres—\$10.00, \$12.50, \$15.00, \$18.50 and \$20.00.

New shoes in black or brown leathers—\$3.50 to \$6.00.

New caps, mackinaws, shirts, blouses, underwear, hose, belts, etc.

Getting the Children Ready for School

Vacation days over, it is time to think about clothing the youngsters for another session in school. It means a big item of expense and it is to your advantage to save where you can by heeding these bargains.
