SMASH! THERE GO MY GLASSES!

"But, thanks to my foresight, I have an extra pair so I won't have to worry along waiting for new ones to be made."

This is a method which is working out to practical advantage with many of our patrons.

Another eyeglass method which many of our "bifocal" friends have satisfactorily adopted is that of wearing

Your money or your life! You may never have been surprised by a highwayman. Certainly you have never been killed by one. Often, however, death comes upon you as suddenly as the holdup man springs in front of you; often fire destroys your property in almost as short a space of time as it takes the yeggman to relieve you of your valuables. The man who loves his family and the sagacious business man protect themselves against both contingencies. Talk with Metcalf for any kind of an insurance policy. 9324c
