

Barred and startled to the core,
Out the window SILVER'S shouts
When the TWINS come in the door
In their Lackawanna Suits.

WITNESS the matchless warmth of the woolly fabric that goes into Lackawanna Twins Underwear. No shivers and chills in the little body that snuggles into this innerwear so smooth to the skin, so snug, yet yielding to the play of limb and muscle.

The workmanship is worthy of the fabric, as evidenced by the trim, enduring character of buttons, buttonholes and seams. Pre-shrinking avoids tub-shrinking; sterilization in live steam makes Lackawanna safe for the wearer.

Here's genuine chewing satisfaction for you, hooked up with real economy. A small chew of this class of tobacco lasts much longer than a big chew of the ordinary kind—that's because the full, rich, real tobacco taste lasts so long. Any man who uses the Real Tobacco Chew will tell you that.

Our 29 years of experience in eye-testing should be of value to you, and is at your disposal.
