

TODDLES and the TWINS agree
They could ill afford to spare
LOTTA COMFORT'S company—
Hence their Lackawanna-wear.

BABE is decidedly "underwared" for the occasion in a Lackawanna Band and Shirt. The band provides ample warmth and support for the abdomen. The shirt envelops the rest of the body in a cosy, snug embrace. Both band and shirt render tribute to infant-comfort in the studied and absolute correctness of their sizing.

For the older boy or girl a Lackawanna Union Suit is a luxury blended of warmth, freedom and uncommonly fine construction. In a multitude of discriminating households Lackawanna is the symbol of underwear satisfaction complete from the cradle to maturity.
