

MYSTERIOUS PAINS AND ACHES

Make Life Hard to Bear for Many Cottage Grove Women.

Too many women mistake their pains and aches for troubles peculiar to the sex. More often disordered kidneys are causing the aching back, dizzy spells, headaches, and irregular urination. Kidney weakness becomes dangerous if neglected. Use a time-tried kidney remedy—Donn's Kidney Pills. Hosts of people testify to their merit. Read a Cottage Grove case:

Mrs. Nettie M. Arne, 704 Birch Ave., says: "I know the value of Donn's Kidney Pills and am glad to recommend them. My kidneys troubled me a lot and my back was hardly ever free from aches and pains. I was run down and the action of my kidneys was irregular. Donn's Kidney Pills from the New Era Drug Store soon had me feeling like a different person. The pains left my back and I felt fine."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Donn's Kidney Pills—the same that Mrs. Arne had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. 10-15-22

"STERLING" COMPOUNDED FEEDS

It is an undisputed fact that honestly and accurately compounded feeds give better results than any straight grain feed. When we started in this business we were thoroughly convinced that the public cares as much for quality as for price. Believing this, our motto has been "A Higher Feed Value for Less Money." And because we have constantly kept this in mind, "Sterling" Compounded Feeds are recognized as being all the name implies.

Our specialties are horse feed, hog feed, and dairy feed, for which we make the claim "There are none better."

Call and see us, and by comparing our prices with those of other compounded feeds, you will find opportunities and bargains here that you can't find anywhere else.

Seasonable Merchandise at Reduced Prices

It's our policy at all times to give our patrons the benefit of any decline of market prices, as soon as a new and lower price is quoted to us and while we do not anticipate a sudden decline to a pre war basis, there has been a reduction in the wholesale cost of several commodities, particularly cotton goods and silks. The prices on manufactured woolen products such as underwear, shirts, hosiery and clothing has remained firm with no prospect of an immediate decline. However, to satisfy the present day demand for lower prices, we have made substantial reductions not only on those commodities upon which the wholesale price has been reduced but in addition we are making special prices on many lines of woolen goods and shoes.
