"STERLING" COMPOUNDED FEEDS

It is an undisputed fact that honestly and accurately compounded feeds give better results than any straight grain feed. When we started in this business we were thoroughly convinced that the public cares as much for quality as for price. Believing this, our motto has been "A Higher Feed Value—For Less Money." And because we have constantly kept this in mind, "Sterling" Compounded Feeds are recognized as being all the name implies.

Our specialties are horse feed, hog feed, and dairy feed, for which we make the claim "There are none better." Call and see us, and by comparing our prices with those of other compounded feeds, you will find opportunities and bargains here that you can't find anywhere else.

FRENCH INTEREST KEEN

Newspapers Carried Much News of American Presidential Campaign.

Paris—Never before in the history of American politics has the French nation taken so deep an interest in an American election, nor has the French press given it so much publicity. During the last few weeks the newspapers discussed at length the chances of both candidates and the effect the result of the election on future American relations. Most of the newspapers carried columns of comment, as well as a large amount of cable matter. They published photographs of Senator Harding on his front porch and Governor Cox speaking from the rear platform of his train.

Third Annual November Subscription Special

SAVE FIFTY CENTS

Following the plan adopted two years ago, The Sentinel will this year give its third annual special November subscription offer. The cash in advance price of The Sentinel is \$2.25 the year. Until November 30 we will accept paid in advance subscriptions for a full year or more at \$1.75. This means that, in case your subscription is in arrears, you must pay arrearages in full and then add \$1.75 for the year in advance. Figure arrearages at 19c per month and then add \$1.75. No subscription for less than a year accepted at this special November rate.

If your subscription expires during November, remit \$1.75.
If you are paid in advance, multiply 19c by the number of months it will take to carry your subscription to next November, deduct 50c therefrom and the remainder will pay you to next November.

You will see by these explanations that you get a saving of 50c whether your subscription is in arrears, paid to date or paid in advance.

EXAMPLES

If your subscription expires in September, 1920, 38c will pay you to November; add \$1.75 (total \$2.13) and you will be paid to November, 1921.

If your subscription expires in October, 1920, 19c will pay you to November; add \$1.75 (total \$1.94) and you will be paid to November, 1921.

If your subscription expires in November, 1920, \$1.75 will pay you to November, 1921.

If you are paid to December, 1920, it takes 11 months to pay your subscription to the next November. Eleven times 19c is \$2.09; deduct the saving of 50c, remit \$1.59, and you will be paid to November, 1921.

If you are paid to January, 1921, it takes 10 months to pay you to the next November. Ten times 19c is \$1.90; deduct the saving of 50c, remit \$1.40, and you will be paid to November, 1921.

Those whose subscriptions fell due during the latter part of September and during October, and who sent \$2.00 in payment of same, will find that they have been given credit for 13 1/4 months. Such persons are asked to examine the date on their label to make certain that such credit has been given. The Sentinel aims to see that every subscriber gets a fair deal on this November special. Particularly do we look after the interests of our old friends who have been paying promptly for years. These who are now paid in advance get the saving of 50c, as already explained, by carrying their subscription forward to next November.

The idea is to have all subscriptions expire in November and to have them paid in advance as much as possible, thus saving The Sentinel considerable expense in bookkeeping, which saving we wish to give to our subscribers.

REMEMBER THAT TO TAKE ADVANTAGE OF THIS OFFER YOU MUST DO SO BEFORE NOVEMBER 30, 1920. AFTER THAT DATE THE RATE WILL BE \$2.25 A YEAR.

GO TO THE RESCUE

Don't Wait Till It's Too Late—Follow the Example of a Cottage Grover Citizen.

Rescue the aching back. If it keeps on aching, trouble may come.

Often it indicates kidney weakness. If you neglect the kidneys' warning, look out for urinary disorders. This Cottage Grove citizen will show you how to go to the rescue.

Mrs. George Young, 404 2nd St., says: "I have used Doan's Kidney Pills for several years and consider them a good remedy. My kidneys were weak and I had attacks of backache and a soreness over my kidneys. My kidneys acted irregularly, too. I read of Doan's Kidney Pills and used them as directed. They benefited me by strengthening my back and kidneys."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Young had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. 10-29/11-5
