Save Your Eyes

The exact methods used in our examinations reveal all errors of refraction in the human eye. We then supply from our own workshop the exact kind of lenses required in each particular case.

Perhaps you are suffering headaches or other physical discomforts because of ill-fitting glasses. Our lenses relieve eyestrain, correct errors of vision and improve your eyesight.

Let us care for your eye needs. We will treat you fairly.

Tales of the Town

Annette Kellerman will make her sensational dive from the tower, a distance of 103 feet above the water, in William Fox's production, "A Daughter of the Gods," at the Arcade theater Thursday, November 18. The dive is only one of many blood-stirring aquatic stunts in what the producer truthfully calls "the million dollar picture beautiful."

G. G. Warner is home, after spending the summer working on road construction for the state highway commission. He has gone into the Bohemia district to look after his mining property.
