CONGRESS BEGINS ITS WORK AGAIN MONDAY

Appropriation Bills to Constitute Principal Business of Three Months' Session.

Washington.—The sixty-sixth congress convened at noon Monday for its third and final session. The outstanding events were the attendance Monday at the senate session of President-elect Harding and the presentation on Tuesday of President Wilson's annual message.

The final session of the present congress opened with only three months of allotted official life, ending just before the inauguration of President Harding, on March 4 and with an extra session soon afterward in prospect. Appropriation bills will constitute the principal business at this session.

President-elect Harding was surrounded immediately by a crowd of senators when he entered, who shook his hand and clapped him on the back. The president-elect welcomed his admirers with a broad smile.

Another peace time estimate of nearly \$5,000,000,000 for the government's expenses during the fiscal year 1922 faced congress when it reassembled. The exact figures as transmitted by Secretary Houston were \$4,652,856,759, an increase of nearly \$1,000,000,000 over the appropriations for the current year, but \$211,000,000 less than the estimates submitted a year ago.

A tentative program of legislation in addition to the appropriation bills is expected to be determined this week by republican leaders in conferences among themselves and with President-elect Harding.

Republican leaders predict that congress will be forced to work steadily to complete the appropriation bills by March 4. In addition, there may be other legislation for relief of farmers and probably a few other emergency bills. Committees, however were prepared to work generally on matters to be considered at the extra session.

EXPLODING SHELLS BOMBARD BROOKLYN

New York.—Hundreds of homes in the Fort Hamilton section of Brooklyn virtually were under heavy artillery bombardment Sunday afternoon resulting from intermittent explosions of 6-inch and 10-inch shells on a steam lighter which caught fire while moored to the army reservation wharf.

Gathering together their belongings in a belief that the naval arsenal at Fort Lafayette, a small island near Fort Hamilton, was ablaze, terrified scores fled their homes for safer zones, driven to frenzied haste by the series of detonations heard for miles around.

An official statement from Fort Hamilton said no lives were lost and only four persons were slightly injured.

The lighter, which was laden with 900 shells for shipment to Boston, was torn from its moorings by the violence of the first explosion. Two men on board escaped.

3 OFFICERS KILLED IN CLASH

Job Attempts to Break into Santa Rosa Jail.

Santa Rosa, Cal.—A mob estimated at 2000 made two attempts to break into the Sonoma county jail here where four men and a woman were held under heavy guard as the result of a shooting affray in which three officers were killed and one suspect wounded.

The mob was dispersed after it had spent more than nine hours before the jail.

The shooting came as a climax to the search of men alleged to be implicated in recent attacks on young girls in San Francisco.

The dead are: Miles M. Jackson, detective sergeant, San Francisco; James A. Petray, sheriff of Sonoma county; Lester H. Dorman, detective of San Francisco. The wounded: George Boyd, San Francisco suspect, slightly wounded in the shoulder.

BRITISH LOSE IN MANDATES FIGHT

Control of Commission Is Given to Non-mandatory Powers.

Geneva.—The difficulty of any single power or influence dominating the league of nations was demonstrated when the council of that body, in spite of determined protests by the British members, decided finally to give control in the permanent mandates commission to non-mandatory powers.

The commission will be composed of representatives of five non-mandatory powers and four of the mandatory states.

The first American treaties to be filed with the league of nations were put officially on record when Sweden presented the text of two agreements with the United States.

Under the covenant of the league of nations the various countries must file all treaties and agreements made since January 10 of the present year, even those in which the other contracting party is not a member of the league.

The arrival of the first American treaties, although they are minor ones, was an occasion of considerable interest among the league members and officials.

A total of 51 treaties and agreements have been filed with the league. Of these, 15 were filed by Great Britain, 11 by France, four by Sweden, six by Switzerland and 15 by other nations which filed one each. Germany, although not a member, has voluntarily filed nine treaties.

SINN FEIN LEADERS ARRESTED BY POLICE

Dublin.—Arthur Griffith, founder of the Sinn Fein organization; Professor John MacNeill, Sinn Fein member of parliament for Londonderry City and the National University of Ireland, together with a number of others, including Professor MacNeill's son, were arrested by the auxiliary police.

What is described as the first of many internment camps for the Irish republican army, it is authoritatively stated, will be brought into operation shortly. It is situated at Ballykinlar, in Dundrumby, county Down, and is capable of accommodating 1000 prisoners. It is asserted prisoners will be liable to be interned without trial and that membership in the Irish republican army will be sufficient reason for internment. Other camps are in course of preparation.

It is reported that the roundup the last seven days has resulted in 200 arrests.

BARRICADES UP IN LONDON

Barriers Eight Feet High Are Erected in Downing Street.

London.—The seizure during raids in Ireland of Sinn Fein documents alleged to give details of a conspiracy for damaging buildings in England, was said in police circles to be the cause of the erection of formidable barricades at the entrances of Downing street and King Charles street.

Both streets lead from Whitehall to a group of government departmental offices and also the official residences of Premier Lloyd George and Andrew Bonar Law, the government leader in the house of commons.

October Exports Largest of Year.

Washington.—Exports during October increased by nearly \$150,000,000 while imports decreased approximately \$1,000,000, foreign trade figures made public by the department of commerce show. Exports were valued at \$752,000,000 against \$605,000,000 in September, while imports were valued at \$362,000,000. The excess of exports over imports in October, amounting to \$390,000,000, is the largest in any one month of the present year.

Mrs. MacSwiney will be accompanied by her late husband's sister, Miss Mary MacSwiney. Both are to testify before the American commission on Ireland organized by Oswald Villard.
