

## ARCADE THEATER WEEKLY PROGRAM

Fri. and Sat., Dec. 24-25—"Daddy Long Legs," Mary Pickford. Taken from the celebrated book by Jean Webster.

Comedy, Snub Pollard in "A Cash Customer."

Eddie Polo in "The Vanishing Dagger."

There will be a continuous show from 2 p. m. on. All who can should come in the afternoon and avoid the night crowds.

Sun., Dec. 26—"39 East," Constance Binney. A comedy of young love in an old boarding house. Penelope Penn, the daughter of a poor minister, finds it necessary to leave home and seek her fortune in New York in order that she may earn enough money to help provide for an invalid mother and three brothers. From church choir to comedy chorus—quite a step for the little country girl. But ministers' children are often high steppers. Don't miss the exquisite dances of Constance Binney in "39 East."

Comedy taken from Booth Tarkington's boy stories in the Cosmopolitan.

Mon., Dec. 27—"Up Stairs and Down," Olive Thomas. "Up Stairs and Down," the screen version in which Olive

Thomas stars, was one of the biggest stage successes of the time. It ran an entire season on Broadway.

Comedy, "The Bull Thrower."

Tues., Dec. 28—"The Thunderbolt," Kathrine MacDonald, the American beauty. The story of a husband who denied his wife the right to motherhood, and how providence thwarted his wicked plan of revenge.

"Somebody Lied," comedy.

Wed., Dec. 29—"Luck in Pawn," Marguerite Clark. When you see the sign of the three balls over a pawn shop you don't generally consider that a good luck sign, do you? It's the hardest kind of luck to most people. That's what Marguerite Clark thought in her new Paramount-Artercraft picture, "Luck in Pawn." She hated to enter those dreadful portals, but it was a question of eating, so she did. Don't fail to see what luck she had.

Comedy, "Moving Day."

Thu., Dec. 30—"Too Much Johnson," Bryant Washburn. He sold his troublesome mother-in-law for \$5000, but before the deal is finished you'll say he earned the money. A picture that rocks with fun. A Paramount picture.

Comedy, "Fatty, the Cop."

## CITY OF SEBASTOPOL FALLS TO BOLSHEVIKI!

### Reds Wipe Out Wrangel's Army and Master Whole Crimean Peninsula.

Constantinople.—The army of General Wrangel, the anti-bolshevik leader in south Russia, has been wiped out and a number of his generals have committed suicide.

A mob in Sebastopol has pillaged the American Red Cross stocks.

Thirteen thousand refugees have arrived here from Sebastopol, but because of the lack of accommodations in the city, they are still aboard ships moored in the Bosphorus.

Several thousand more are due here, and it is understood 30,000 have been permitted to take passage from the Crimean city. It was found impossible to provide ships for the entire population of 80,000. Two thousand wounded men also have arrived and have been distributed among the French and Russian hospitals.

Sebastopol fell to the Russian soviet forces at 5 o'clock Sunday evening after the evacuation plans had been fully carried out, according to word received here. General Wrangel, it is stated, was the last to leave, going aboard the cruiser Korniloff, cheered by his troops.

A fire which originated through an accident destroyed the highly valuable stores of the American Red Cross at Sebastopol. A portion of the goods of the American foreign trade corporation and other foreign firms was saved. The American Red Cross at Constantinople is aiding the refugees, caring for the sick and wounded and furnishing clothing and supplies.

The five red armies concentrating against him, General Wrangel informed the newspaper correspondents at Sebastopol, numbered more than 100,000 as proved by captured papers. Twenty thousand of these were cavalry divided into three groups. The cavalry under General Budenny, who left the anti-bolshevik forces and joined the bolsheviks, suffered heavily, according to Wrangel, particularly in officers.

## JAPAN, U. S. AGREE ON LABOR EXCLUSION

Tokio.—Newspapers here report that the Japanese and American governments have reached an agreement in principle relative to the exclusion of Japanese laborers from the United States. It is asserted, however, that there is a disagreement regarding the methods to be employed. America is understood to desire provisions for exclusion embodied in a treaty, but Japan, it is said, regards this procedure as humiliating and as forming a precedent she might be forced to follow in future treaties. Japan is said to declare that measures prohibiting her subjects from emigrating can be taken only on her own initiative.

In other respects the negotiations are progressing, it is reported, and, once this point has been settled, an agreement may be expected.

## HUNGARY RATIFIES TREATY

Tears Shed as Terms of the Treaty Are Met.

Budapest.—When the peace treaty between Hungary and the entente allies came up in the national assembly the deputies rose, sang the national anthem and then voted for ratification amid silence. It was ordered that the black flag of mourning should fly over public buildings.

In an address lamenting the crushing weight of the terms imposed, Karl Huzzar, former premier, brought tears to many eyes. County Teleky, the premier, proposed that he be tried for his part in negotiating and ratifying the treaty, but the deputies voted unanimously their refusal.

## Los Angeles Pastors Live in Church.

Los Angeles.—High rents have caused two southern California pastors the Rev. M. C. Deweese of the Western Avenue Methodist church, Los Angeles, and the Rev. Warren Elsing of the Presbyterian church at Van Nuys, a suburb, to move their families into their churches.

## Pension Chief Named by President.

Washington.—President Wilson appointed Frank D. Byington of Maryland to be commissioner of pensions and Frederick A. Royle, of California, to be deputy commissioner. The president also named Carl A. Mapes of Michigan to be solicitor of internal revenue.

## Japanese Deny Building Forts.

Tokio.—Captain Nomura, aide to the minister of the navy, speaking in the name of the minister, said every report that Japan was fortifying or planning to fortify and establish bases in the mandated Pacific islands is wholly false.

"for clean oil in  
a clean engine"

## How many miles have you driven your car?

HOW many miles—without changing engine oil?

Dirt accumulates in the oil of every engine—carbon, road dust, fine particles of metal, and gasoline that has escaped past the pistons. This dirty, diluted oil circulating through your engine causes unnecessary wear on bearing surfaces.

Have it drained out—now—and fresh oil put in the crankcase.

We can do that for you conveniently, quickly, economically—with

Modern Crankcase Cleaning Service. We use Calol Flushing Oil, the new, scientific flushing agent, which cleanses thoroughly without danger of contaminating the supply of fresh oil. And to assure correct lubrication we refill the cleaned crankcase with Zerolene of the correct grade.

Bring in your car today. Modern Crankcase Cleaning Service will give immediate better engine performance. Done regularly it will lengthen your car's useful life.
