Sat., Jan. 1—"The Valley of the Giants," Wallace Reid. I wonder whether you've read Captain Peter B. Kyne's big story, "The Valley of the Giants." Continuous show from 1:30 on during the entire afternoon and evening.

Sun., Jan. 2—"A Dark Lantern," Alice Brady. A tense drama in which woman proposes and fate interposes.
Larry Semon comedy, "The Star Boarder."

Mon., Jan. 3—"Pink Tights" Gladys Walton. The story concerns the coming to a new England town of a one-ring circus of which Mazie, the little girl who ascends in the balloon in pink tights, is a star member. There is a high wind on the day of the ascent and Mazie's parachute lands on the roof of the house occupied by the Rev. Jonathan Meek. He

rescues her and then urges her to stay until after dark inasmuch as he is afraid of his reputation if she is seen going from his house, etc. This is a picture you will enjoy from start to finish.

Tu., Jan. 4—"White Youth" Edith Roberts. It was black revenge for forbidden marriage, this mating of "white youth" with withered age. Edith Roberts' latest photoplay.

Wed., Jan. 5—"Stepping Out," Enid Bennett. A Paramount picture. Enid Bennett, as the neglected wife, fights the devil with fire in "Stepping Out," and makes hubby wish he had never left his happy home.

Comedy, "A Sure Cure," Mr. and Mrs. Carter DeHaven.

Thu.-Fri., Jan. 6-7—"The Virgin of Stamboul," Priscilla Dean. Six months in the making—thousands of players in the mighty cast. GET MORE BUTTER

Mrs. Hattie Meese, of Glenn, Missouri, says: "I was not making enough butter from my cow's milk production for a family of two. After using Dr. LeGear's Stock Powders a short time she gave a half gallon more milk a day and a pound of butter a day."
Dr. LeGear's Stock Powders give to milk cows just what is needed to keep the digestive organs in proper condition, so that they get the most possible good from their feed. Give equally wonderful results when used for horses, hogs, and sheep, because they are a tonic, appetizer and worm expeller.

It matters not what ailment you may have among your stock or poultry, it will pay you to get the proper Dr. LeGear Remedy from your dealer. They are the Doctor's personal prescriptions, compounded during his 25 years of Veterinary Practice and Expert Poultry Breeding. They must satisfy you or your dealer will refund your money. 431

"See what we found in your crankcase oil"

THIS lens shows some of the dirt that can be found in any crankcase after a few weeks of driving—road dust, carbon and fine particles of metal. Such dirt circulates with the lubricating oil through the engine, together with gasoline that escapes past the pistons and dilutes the oil.

Have the dirty, diluted oil in your crankcase drained out—now—before unnecessary wear begins. We can do that best for you with Modern

Crankcase Cleaning Service—convenient, quick, economical. We use Calol Flushing Oil, the scientific, thorough flushing agent which does not contaminate the fresh oil. We assure proper lubrication for your engine by refilling the cleaned crankcase with Zerolene of the correct grade.

Make a regular habit of Modern Crankcase Cleaning Service. It gives better engine performance and longer life to your car.
